Rice JETS Club Holds
Organizational Meeting

[By Barbara Fribold]
The first meeting of the Rice High School JETS Club was held on October 27, 1980, in the room. Thirty students joined the club. The sponsors for the club this year are Mr. Bill Carpenter and Mr. Henry Gindrat.

JETS is a club for secondary students interested in the application of science and mathematics. The purpose of the organization is to provide through its activities and programs encouragement and motivation for young people in mathematics, science and education pursuits, to provide experience which will help youth better understand our technical society, and the nature of career opportunities within the society, and the opportunity for youth to develop individual and group leadership and a better understanding of their own capabilities.

One way to encourage scholastic motivation and achievement among Texas high school students is to compete with other students from all over the nation at the annual JETS State Conference. This conference, students compete in tests in various scientific and mathematical fields and in presentations of technical papers and design projects. By having a JETS chapter, students, who will become leaders in tomorrow's society, obtain leadership training through planning, organizing and running their local JETS Chapter.

The next meeting will be held November 5, 1980 at 8:15 a.m. At this meeting the club will elect officers.

Rosalind Overton Is Guest
Speaker At Rice FHA Meeting

[By Elva Ann Rame]
On October 27, 1980, the Future Homemakers of America met. Rosalind Overton was the guest speaker at the meeting. She is a social worker for the Department of Human Resources for Colorado County and her office is in Columbus.

Mrs. Overton's speech topic at the meeting was "Make the most of yourself." She explained that one should choose a career, set a realistic goal, make sacrifices to get what you want, keep learning and have confidence in one's self in order to make the most of yourself.

The students asked many questions common among them today. The FHA club enjoyed the presentation and would like to thank Mrs. Overton for coming.

Meet The Raiders

[By Pam Kallina]
This week the Raider Review would like to introduce to you three talented young men that play on the Raider varsity football team. They are Robert Frazier, Bruce Montgomery and Michael Schorlemmer.

Robert Frazier, a senior at Rice High, is the son of Mrs. Dora Frazier of Eagle Lake. He has played on varsity for two years and this year he plays the positions of right end and defensive end.

Bruce Montgomery, a junior, is the son of Mr. and Mrs. Harrell Montgomery of Eagle Lake. This is Bruce's first year on varsity and he also plays the positions of tight end and defensive end.

Michael Schorlemmer, a senior, is the son of Mr. and Mrs. R. L. Schorlemmer of Eagle Lake. Michael plays tight end and defensive end and is also a first year on the team.

The responses from these three players on what they liked best about the team this year was that the coaching staff has improved, the support of the fans is great and the team has a lot of spirit and pride which is helping to make this a winning season.

The football players like the crowd's spirit to keep on coming out and supporting them all the way!

Business Club To
Hold Bake Sale

[By Judy Bunge]
On Wednesday, October 29, the Rice High School Business Club held its first meeting of the year. President Mike Rios called the meeting to order and called roll for the club's 102 active members.

The first item of business was deciding on a money making project. It was decided that the club will sponsor a bake sale on November 15, 1980, in Garwood, Eagle Lake and Sheridan. The sale will begin at 9:00 a.m.

Club members discussed who they would like to be in charge of the sale. A committee was appointed to select a speaker who is a professional in the field of business.

The final item of business discussed was the annual Business Club banquet. President Rios appointed committee members to decide on a date, speaker, caterer and decorations for the banquet.

Club sponsor, Mr. Joe Wendel, spoke to the club about what should be the purpose of the Business Club. He said that the club should benefit its members by helping them learn about economics by the experiences each member has in the club. It should help members decide on a profession by shedding some light on some of the indecisions members might have about jobs in business.

Mr. Wendel feels that each member should have a positive attitude. He closed by challenging the members to have pride in themselves, the school and thereby in order to make this year's club the most successful club ever.

Seniors
Receive
Jackets

[By Troy Hagendorf]
On October 29, the seniors received their letter jackets. Only those seniors who completed four years in any sport or four years in band received them. They can put their medals and patches that they have received through the past years on them.

Congratulations to those who have worked long and hard to achieve this accomplishment.

Seniors Order Invitations

The seniors of Rice High School ordered invitations for graduation during Government classes last Wednesday, October 27.

Mr. Grahmann gave the seniors order packets containing the order blank and a brochure of items for graduation from which to choose. The students' invitations were 30c each. Along with invitations, the students were given the option of ordering memory books, thank-you notes, and jewelry. A \$10.00 deposit was required by each student placing an order. The cost of the students' orders ranged from \$35.00 to \$100.00.

The invitations are expected to come in around the end of March or the first of April.
