VOE Class Tours Bank

On Thursday, November 13, the VOE classes had the pleasure of visiting the First National Bank in Eagle Lake. Upon arriving at the bank, the students and Mrs. Crabb were greeted by Mr. William Harrison Jr. He spoke to the classes about the operation of the bank, reminding them that the bank is a profit making organization.

Next, Mr. Harrison took the young ladies on a tour of the safe deposit vault, coin wrapping machine, money vault, and bookkeeping and file room.

The VOE classes also received informative books on banking before the tour and received ink pens and completion certificates after the tour.

The classes enjoyed the tour and would like to thank Mr. Harrison and the First National Bank.

FTA Active In American Education Week

(By Jenny Lee Griffith)

On November 30, 1921, American Education Week was launched by a proclamation issued by the President of the United States. Since then every President has recognized the event with a proclamation, and AEW has become the biggest public relations event on the school calendar.

The week of November 16-20 was the 1980 American Education Week. Chosen as a theme was "Education in the 80's - Preparation for the Future."

The Rice FTA chapter chose to participate in AEW. Each chapter member chose a teacher at Rice and performed some sort of service for them to "show" their appreciation.

The Senior class, Janelle Banks, a guard, is the daughter of Mr. and Mrs. A.C. Banks of Garwood. Janelle has participated in basketball for four years at Rice High School and has lettered two years. When asked about this year's team she replied, "I think we have

a very good team and we have a good chance of taking district."

Patricia Banks, a right forward, is the daughter of Mr. and Mrs. Willie Banks of Eagle Lake. Patricia, who is a starter, has participated in basketball for four years and has lettered three years. Her comment on this year's team was, "I believe this year's team is going to be the best team Rice High School has ever had and we are planning to go to state. We have the best coach along with a lot of skill and ambition."

The Raider Review would like to invite you to come out and support the team!

Basketball Season Has Begun For Rice Teams

(By Pamela Wallis)

Are you aware that basketball season is upon us? Well it is, and it started Friday, November 21, 1980. Now that football season is over and the boys went so far as to being Co-District Champs, the basketball team is looking forward to going a little farther, like to state.

This year the varsity Raider boys basketball team consists of ten members, led by a very talented coach, Jack Grammer. Two of the leading players are David Grammer and Victor Davis.

David Grammer, a senior, is the son of Mr. and Mrs. Jack Grammer of Eagle Lake. He has played the sport of basketball for six years and three of these years he has lettered on varsity. David starts and he plays the position of guard. When in uniform, David is number 42 in his white uniform and 43 in his blue uniform.

Victor Davis is another activity in which he participates. He has lettered three years in this sport. Another talented player, Victor Davis, a senior, is the son of Mr. and Mrs. Clarence Davis of Eagle Lake. Vic has played basketball for six years and has lettered two in the sport. Vic is also a starting guard on the team. When he is in his white uniform his number is 44 and his blue jersey is 45. Vic has also lettered two years in football and two years in track.

David and Vic are looking forward to going back to state and showing what the team really can do. The most important games to them right now are Victoria and Columbus.

During football season the spirit of the fans was great, so keep it up and come out and back the Raider basketball teams.

given by Barbara Prihoda. Secretary Kathy Innes read the minutes from the previous meeting.

The meeting was adjourned with the announcement that the next meeting is going to be January 14, 1981.
