SHERIFF'S REPORT

Protect Christmas Gift Purchases Left In Vehicles

By GEO. "DOC" MUELLER
Sheriff, Colorado County

We are at the time of year again when people will be doing their Christmas shopping. I would like to urge everyone to lock their vehicles when they are out shopping. If you leave them in view, even though your vehicle is locked, there is a good chance of someone breaking in and taking the packages. If they are out of sight, in the trunk of your vehicle, it will lessen the possibility of having them stolen. Also safeguard your Christmas gifts in your home. Make sure your house is locked at all times while you

are away. I would like to take this opportunity to wish you and yours a very merry and safe Holiday Season.
