

Heritage House Tree Honors 52 Hostages

During the Holiday Season, the residents of The Heritage House have shown great concern for the fifty-two hostages still being held in Iran. As a reminder to all to continue in prayer for their safety and for their return home to their loved ones, the tree shown above was decorated with fifty-two yellow ribbons and is now

displayed in the lobby of the Heritage House. Among those who participated in decorating the tree were: seated, left to right, Cleveland Rodd, Bernice Karber, Dale Rodgers and Abbie Taylor standing, left to right, Sibba Mader, La Ella Mahak, the Heritage House model director, Miss Price, Edwin Uhlig and Adolphus Doran.

J. D. Seymour, Jr. Home Burglary Being Investigated

Investigation was still underway late last week into the burglary of the James D. Seymour, Jr. residence at 635 Travis Street in Columbus. Burglars entered the Seymour home weekend before last and ransacked the home and took an unannounced amount of silver, jewelry and other items.

Columbus Chief of Police Tom Wine said that entry was apparently made through a back door. The burglary was discovered Sunday night when the Seymours returned home.

State officers and a private investigation firm are assisting the Columbus police department in the investigation. Fingerprinting listed at the scene were being checked for a possible clue on who the burglar or burglars might be.

Keep up with all activities of the Rice School District by reading the Headlight.

Time To Be Filled With Joy & Gratitude

[By the Rev. P. L. Burrow, pastor of Greater Mount Olive Baptist Church, Eagle Lake]

"My Whole Being Vibrates With Joy" Luke 2:7-15. Glory to God in the highest, and on earth peace, good will toward men. Luke 2:14. The year's finale is an exultant "Glory to God," for in Him alone is our true hope of a peaceful earth. Only through the practice of His humanity, His great love, can we expect ever to have good will toward men, all men, as an established fact.

During this festive season we recall an event which took place almost two thousand years ago, a most significant event, taking place in a humble environment, unheralded except to a few shepherds: God made manifest His glory in Jesus' Birth. The Messiah had arrived. Earth and Heaven looked each other in the face!

With certainty I know that I have found the inner Christ. He is born anew in me. My soul is filled with great joy. Let this inner joy radiate to all.

Today we are filled with joy and gratitude for the gift of the Saviour Jesus. We are especially thankful that He is not a savior afar off, but linked to our nature in the same manner of His birth, in childhood, in adulthood, in love and sympathy. In Him we are glad.

With all the angels who celebrated His nativity we add our voices of thanksgiving and joy.

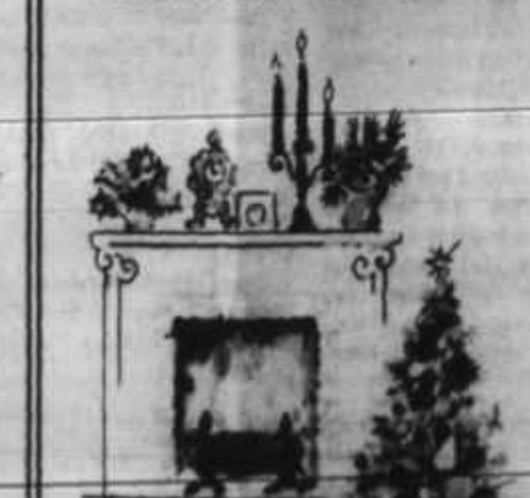

My whole being vibrates with joy because of the Eternal Christ for in Him is the source of all life, and the source of all light and truth, however, great the darkness, however perverse and wicked men may be, however determined the demons of darkness may be, the Light Eternal will never fail.

The coming of the Son of God made visible God's relationship to the world. He is in the world as well as over the world. God is redemptively active. God was in Christ, reconciling the world unto himself. "God is still at work in our world," ministering to the poor and brokenhearted, the captives, the blind and healing those who are sick, helping those who are oppressed by the devil, redeeming those who believe and bringing into subjection every principality and power and dominion which is to come.

When Christmas Day has come and gone and we have given and received many tokens of friendship and love, let us resolve to keep the Christmas Spirit in our hearts. Let us put our words and deeds into action and make our Christianity a living reality.

PRAYER: "O God, Our Help In Ages Past, Our Hope in Years To Be" look down upon this Present and see our need of Thee... For in this age of unrest, with danger all around... We need Thy hand to lead us to higher, safer ground... We need Thy help and counsel to make us more aware... That our safety and security lie solely in Thy care... And so we pray this Christmas to feel Thy Presence near... And for Thy all-wise guidance throughout the coming year... First, give us understanding enough to make us kind... So we may judge all people with our heart and not our head... And our mind... Then give us strength and courage to be honorable and true... And place our trust implicitly in "Unseen Things" and "Yea"... And help us when we falter and renew our faith each day... And keep us gently humble in the Greatness of Thy Love... So some day we are fit to dwell with Thee in Peace above. Amen.

[By Judy Bunge]

On Tuesday, December 16, the Rice High School Student Council had its annual Christmas Appreciation Banquet. Each year this banquet honors special people who have helped the council throughout this school year.

The banquet started off with a delicious dinner consisting of turkey and dressing. The meal was catered by Hermann Catering of El Campo. The highlight of the evening was an enlightening speech given by Judge Lester Crane.

He spoke of the role America's youth will play in the future of this country. Judge Crane stated that through the education of today's youth there is hope for a bright future.

The banquet ended after everyone had gathered around the piano and sung "Silent Night." The banquet was a very pleasant evening for those who attended.
