FOR DETAILS

Monday and Tuesday, Jan-uary 12th and 13th, public statements on the Allens Creek Nuclear Generating Station, a \$1.4 billion dollar power plant along the Brazos River will be taken in Wallis, the plant's proposed location. Following this, they will shift to the University of Houston's Bates College of Law with public statements scheduled for the first two days. More than 100 Houston area residents have indicated they wish to speak against the On the afternoon of the

p the first issue related to Environmental Consequences of the plant. The first topics to be considered are the recreation benefits of the 5,000 acre cooling lake, and the effects of radioactivity in the body of water. The second topic involves alternative energies, the use of interconnection to obtain electric power in Houston, and the health and environmental consequences of high power transmission lines on uman beings and waterfowl.

Allen Creek Intervenors of Houston reports that a number of Intervenors are expected to take an active part in these early hearings. Persons who wish to make statement and ask questions of the NRC licensing Board on January 12th, may do so at the hearing which will be at the American

Legion Hall, 330 Legion St. Wallis, between 9 am and 5 They may also on January 13th, between 1pm ear's holiday need for blood. and 6 pm. The Allens Creek site is proposed to be 15 miles from Eagle Lake, in Wallis. The NRC Board will tour the site on Tuesday morning.

2 Wrecks On Hwy. 90A Tuesday A.M.

Two accidents were inves tigated on Highway 90. between Eagle Lake and Altair on Tuesday morning of this week by Highway Patrolman Joel Garcia of Eagle Lake.

The first occurred at 5:00 a.m. when a gravel truck being driven west on 90A by Octavio Ortis of Eagle Lake jackknifed on a curve in the highway between the river bridge and the railroad crossing, just east of Altair. Damage was reported to the cab of the truck, but there were no injuries.

At 6:00 a.m. William (Butch) Estlinbaum of Eagle Lake was heading west on 90A when he reportedly attempted to pass a truck and noted that the truck was about to jackknife and Estlinbaum's vehicle had a blowout and rolled over on the eastbound lane of the highway, near the Robinson alvage yard. He escaped injury but there was considerable damage to his suburban. The damp condition of the highway from light rain was
