TODAY'S MOBILE HOMES

by Mary Ann Pittman

Manufactured homes feature decorator-designed interiors and offer a full range of "name brand" appliances including range, stove, refrigerator, dishwasher, disposal, clothes washer and dryer. Microwave ovens and hand compactors are among other optional appliances available.

Wood paneling and matching built-ins are favorite decorative items for family-size homes.

Home dining areas are available in some home models.

Various furniture groups can be purchased through manufactured housing retailers.

Almost all manufactured homes include decorator-designed draperies and lighting fixtures.

Many manufactured homes feature large decks or living areas - large enough for a hot tub and billiards. Fireplaces are becoming standard features in multi-section homes.

Driver Of Wrecked Car On 950 Missing

Highway Patrolman Raymond Munsell of the Eagle Lake station reported that the driver of a 1970 Buick which rolled over and hit three fence posts two miles west of Garwood on FM 950 is still being sought. The officer said that the driver of the vehicle, owned by Dolores Perez of Nada, is believed to be an alien and probably left the country. A passenger Andrew Perez was left in the vehicle and he told the officer that the driver apparently thought he might be dead. Perez recovered however and walked to his home at Nada and later a friend brought him to Eagle Lake Community Hospital and it was then that Highway Patrolman Munsell was called.
