LETTER TO THE EDITOR

Thanks Extended In Bike-a-Thon

Dear Headlight Editor:
The St. Jude Children's Research Hospital Bike-a-Thon is over for this year and, looking back, we want to sincerely thank the citizens of Garwood-Nada for their generous support of our campaign.
We are extremely proud of the number of riders, the hard working volunteers whose efforts made this a success, and the citizens of Garwood-Nada. Thanks to them, we

raised a grand total of \$726.00. Because the diseases that St. Jude Children's Research Hospital is battling can strike any child anywhere, this money will be helping to save children's lives all over the world.
It is a wonderful feeling to know that the people of our community are concerned and caring individuals and, on behalf of the children of St. Jude's, I want to thank each and every one who helped.
Sincerely,
Mrs. Frank Popp, Jr.

St. Jude's Bike-a-Thon At Garwood-Nada Is Successful

\$726.00 was raised for St. Jude Children's Research Hospital last Sunday as 40 bikers pedaled in the Garwood-Nada area wheels for Life Bike-a-Thon.
"The ride was a great success and showed that citizens of that area understand the importance of research being done at St. Jude Hospital," Bike-a-Thon Chairperson Mrs. Frank Popp, Jr. said in announcing the ride's results. "Everyone who participated did a wonderful job."

"The \$726 raised from the ride will help continue the research into childhood cancer and other catastrophic diseases," Mrs. Popp said. "Children here and every where will be helped by this successful Bike-a-Thon and the progress being made at St. Jude Hospital."

She urges all sponsors and riders to turn in their "donations" by April 4th. Also if anyone would still like to contribute, they may call her in Garwood.

Life Advocate Film April 12 In El Campo

The acclaimed film series "Whatever Happened to the Human Race" will be shown at the American Legion Recreation Center in El Campo on Sunday, April 12 starting with registration at 12:00 noon. Donations are \$1.00 for adults, or \$2.00 per family.

"The three-episode film series exposes our rapid, yet subtle loss of human rights. Narrated by Francis A. Schaeffer, one of the leading Christian Thinkers of our day, and C. Everett Koop, M.D., recently appointed Surgeon General by President Reagan, the series explores such questions as How human are we? Can we accept the destruction of human rights, and will future generations look back at us with shame?" noted sponsors.

In addition, there will be a guest speaker, and a panel will answer questions from the audience.
