

LCRA Board Moving Toward Additional Unit At FPP

"Pledging an 'open and cooperative attitude,' the board of directors of the Lower Colorado River Authority called Thursday (May 25) for a meeting between representatives of LCRA and the Fort-Power Project, Inc. to discuss the possibility of a joint venture to develop a hydroelectric project on the Colorado River at Fort-Power, Texas.

The meeting, yet to be scheduled, would include directors and staff members from both agencies to resolve differences over plans for future generating stations.

LCRA has continued to plan for a 400-MW unit at the Fayette Power Project near La Grange, which would burn lignite mined from Bastrop and Fayette Counties. Planning for the FPP unit, which would also be ready by the late 1960s, was authorized by a mandate of the LCRA board of directors last December.

Crop, Livestock Reports Needed From Farmers

During late May and June, many Texas farmers and ranchers will receive a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service's field staff. The crop and livestock information gathered through the questionnaire and interviews is kept confidential, and it is the basis for setting crop acreages and midyear livestock inventories to be published in June for the state of Texas.

These crop and livestock reports give a reliable, unbiased picture of Texas' most important industry—agriculture. Furthermore, these reports are tools to help farmers and ranchers work out their planting, breeding, feeding, storing, producing, and marketing plans in other words, to keep them informed.

These reports are also used by: Farm organizations and legislatures in planning and developing farm programs; Extension economists and private farm and ranch management consultants for advising farmers and ranchers; Exporters in planning and promoting the sale of Texas agricultural products in foreign markets.

Even though response is voluntary, each farmer or rancher who is contacted is urged to cooperate, helping to make the crop and livestock reports to be published as accurate and reliable as possible. These surveys are a cooperative effort of the Texas Crop and Livestock Reporting Service and the Texas Department of Agriculture.

Yanks, Pirates Share Major LL Lead; Astros, Mets Lead Also

A's Hand Reds First Loss In Peewee Play; Mets Are Now 4-0

The Yanks and Pirates Little League teams picked up right where they left off at the end of the 1960 Little League season they ended the season last year in a tie, and at the end of the second week of play this summer the two teams are tied again with 3-1 records. The Astros took early command of the Farm Little League with their third and fourth straight wins and the A's edged the Reds for their first win in the Peewee Little League play, while the Mets lead the league at 4-0.

Action in the respective leagues for the past week went as follows:

Major Little League
In the Major Little League action May 28th the Pirates topped the Cubs 4-1 and the Yanks walloped the Dodgers 10-1. In the opener the Pirates tallied 9 in the second and 2 in the sixth to win. Kevin Dornak opened on the mound and was relieved by Dwight Stovall. They combined for 13 strikeouts. Paige Paschall beat Pirate hitters with 1-1 and Paul Whitfield beat 2-2 for the Cubs. Highlighting defensive action, was a double play by the Cubs and a nice running catch by leftfielder James Williams of the Pirates.

In the second game May 26, Pedro DeLaGarda and Arthur Foster limited the Dodgers to one hit, that one by Glen Leopold. For the Yanks Phillip Reggins, Frank Adkins, Arthur Foster had one hit each. On defense, Dodger Michael Gonzales made a nice stop on a hard hit grounder on the first baseline to put out Foster.

In the opener May 28, the Yanks tallied six times in the fifth to slip by the Dodgers 6-3. Ernest Lemons, winning pitcher, had 12 strikeouts. Curtis McTear and Ben Gonzales led the Dodgers in hitting with 2 each while Adkins, Ray Higgins and Armando Llanos had the only Yank hits. In the second game the Cubs were set down without a hit by Stovall and Dornak as the Pirates won their third game in four starts 4-0. Noe Belmar's double topped the Pirates hitting. A Cub threat to score in the fourth was stopped when Paul Whitfield caught a long fly and doubled a runner off third base.

Farm Little League
The Astros won two of the three Farm Little League games played during the past week. May 26th the Astros topped the Giants 14 to 2 as the Giants were held hitless by Gilbert Sosa. Leading hitters for the Astros were Dusty Jackson and Irving Williams with three hits each. May 27th the Braves outlasted the Rangers 14 to 13 in a high scoring contest. The Braves shot off a late rally by the Rangers a run short. Cano was the winning pitcher. Jose de la Garza, Francis Lewis, Jr., and Steven Melnick had 2 hits each for the Braves. J. Thomas, Mark Kucherka and Louis Stiles had one hit each for the Rangers.

On May 28, the Astros started fast with 12 runs in the first and won 21 to 9. Sosa was winning pitcher. Dusty Jackson led the Astro hitters with 3-for-4. Javier Luna had 2 for 3. Trip Clippson 1-4. For the Giants Donald Danbaur, Iva Cotton and Jesse Yanes had one hit each.

A second meeting between the Rangers and Braves on a practice field was postponed because of rain.

Peewee Little League
In the Peewee Little League, the Reds topped the A's 7 to 2 on May 28th but on May 28th the A's reversed the situation and handed the Reds their first loss 4-2. In other action the Mets topped the Sox twice 10-3 and 14-4. The Mets are undefeated in the Peewee League action.

In the opener May 28th the Reds pitcher Richard Spauls limited the A's to one hit by Reginald Donner. Jesse

Fillies Are 3-0 In Major Girls Softball

The Fillies laid claim to the lead in the Eagle Lake Little League Major Girls Softball League during the past week of play as the Fillies now have three straight wins. The Tigers and Strawberry Shortcakes share the lead in T-ball action with two wins each.

Results in the two leagues during play last week were as follows:

Girls Major Softball
In the action May 27th the Eagles romped over the Honey Bees 23 to 5 to even their records at 1-2. Odessa Thomas was the winning pitcher for the Eagles. Two hits by Camille Mitchell and doubles by Sherry McGrew and Mitchell led the 12-hit attack by the Eagles. For the Honey Bees, Gracie Coronado went 1 for 1 to pace the Bees in hitting. Sylvia Garza and Jo Ann Torres also had hits for the Honey Bees. McGrew pounded out a total of 4 hits, Odessa Thomas and Lakeshille Jackson 2 each for the Eagles.

In the other game May 27th the Red Sox had piled up a 12 to 0 lead over the Fillies in three innings when an electrical line went down and because it was unable to repair and continue the game through the required four innings, the game was called. If necessary the game will be made up but it will have to be started over and because it is a tough break for the Red Sox but good luck for the Fillies.

On May 28th the Fillies squared by the Red Sox 5-5 for their third win of the season and drop the Red Sox to 1-2. Janette Scott was winning pitcher. Cindy Garza led Fillies in hitting with 2 hits, Darn Cardova, Shelle Meitzen, Janette Scott had one each. Sherry Anderson had the only hit for the Red Sox. The Sox held a 5-4 lead going into the final inning. The Sox had the bases loaded.

The game between the Strawberry Shortcakes and the Tigers on a practice field was postponed because of rain.

Winners Announced In Struss Bass Tourney

Local Fishermen Place In Fifth Annual Event At Sam Rayburn

The Fifth Annual Struss Invitational Bass Tournament sponsored by Mr. and Mrs. Sid Struss of Houston, went on as scheduled on May 1, 2 and 3, 1961 at Sam Rayburn Reservoir. In the last four years of the tournament's history, the lake has always been at either a normal level or above normal. Many of the participants having fished the lake in the past, as well as the newcomers, found the lake this year fourteen (14) feet below normal. The normal "hot spots" this year were but islands above the water and finding fish was somewhat difficult. However, when fish were found, they were of reasonable size.

This year's tournament had participants entered from as far away as London, England and Calgary, Alberta, Canada. In the Men's Division, Richard Clippson of Eagle Lake, won largest bass - 2 lbs. 12 oz., and third place went to Jimmy Clippson of Eagle Lake, Texas.

In the Women's Division, Cindy Nelson of Houston, Texas caught the largest bass weighing in at 3 lbs. 9 oz. There were three winners in the Special Children's
