Many Youth Attending Boys' State

925 Texas high school juniors converged on Austin and assembled on the Campus of The University of Texas Saturday, June 6, for the 41st session of American Legion Boys' State, State Commander, Harry C. Riggs of Plainview announced.

The Boys' State delegates arrived in Austin on Sunday, and began registration at 1:30 p.m. in Jester Center. That evening the new citizens of the Boys' State attended their first orientation in their assigned mythical Boys' State city to start their week long program.

A program that teaches respect for citizenship in an actual "do it yourself" type workshop from which comes this motto, "Learn by Doing."
