F.T.A. Is Organized

[By Renee Hunt]
On September 12, a leadership conference of the District III F.T.A. officers and advisors was held in Cuero, Texas at the high school. Those attending from Rice included President Renee Hunt, secretary Irma Yanez, historian Barbara Ross and advisor Lillian Gohlke.

The purpose of the meeting was to acknowledge when and where the district convention would be held. Stromman High School volunteered their facilities, but a convenient date was not decided upon. Also, several workshops were held to familiarize officers with their duties. New ideas for a scrapbook were presented during the historic session. An excellent demonstration of parliamentary procedure was given by the Cuero FFA Chapter.

New ideas and new friendships were exchanged making the day beneficial for all those attending.

Those interested in joining the Rice F.T.A. signed up September 16 in the meeting room. Forty-five registered but all dues were not paid. The \$4.00 dues must be paid

before the first meeting, which will be held on September 22 during first period, in order for your name to appear on the roll call.

The Rice F.T.A. looks forward to another active and successful year.

Webb Joins Teaching Staff

[By Paula Rohrer]
This week the Raider Review proudly welcomes Mr. Wayne Webb to the Rice teaching staff. Webb was originally from Little Rock, Arkansas. He attended Southwestern University at Memphis, Tennessee. Mr. Webb formerly taught in Little Public Schools for thirteen years. This year he is teaching World History. Along with teaching history, Webb is also interested in canoeing and photography.

When asked how he likes teaching at Rice High School, Mr. Webb replied, "It is the cleanest, most orderly school I have ever taught in. The students exhibit tremendous school spirit and pride, while the teachers are about the friendliest group imaginable."
