FTA'er Of Month Selected

(By Cathy Lanyon)
Once again the members of the F.T.A. were given the opportunity to exercise a prerogative to pick the person of their choice for the Future Teacher of the Month. The people that are eligible for this are the members of the F.T.A. who have contributed some of their time and talents to each project presented. Since there are a lot of energetic and enthusiastic members who have helped in the projects, it was a difficult decision to make to choose the F.T.A'er of September. After the ballots were counted, it was determined that Renee Hunt, president of the club, was the F.T.A'er of the month. Runners-up were Michele

RHS Cosmetology Officers

(By Leslie Harrison)
This week the Raider Review would like to introduce two talented young men who play on the Varsity Raider football team. They are Dwayne Pagel and Andy Gerton. Dwayne Pagel, a junior, is the son of Mr. and Mrs. Bobby Weisbuh of Garwood. This is his second year to be on Varsity, and he plays the positions of running back on offense, and strong linebacker on defense. He also plays the position of reserve quarterback. When asked how he felt about the team, he replied, "I think the team is great. We have a lot of talent and a great coaching staff. We are going to go all the way." Andy Gerton, also a junior, is the son of Mr. and Mrs. Ralph Gerton, Sr. of Eagle Lake. This is Andy's first year to be on the Raider Varsity, and he plays the positions of center on offense and defensive end on defense. When asked how he felt about the team, he replied, "I think we have a great team. If our attitude and desire to win stays the same, we'll be able to go all the way." Come out and support the Raiders to victory!

Company and a self-made millionaire. In his talk, Mr. Smith stressed that success does not come easy but only through hard work. Also, one can not expect to start at the top. He must start at the bottom and through hard work, work his way up. Mr. Smith also added that we as students should only be satisfied with our very best and never accept anything less. In addition, students can not use their color or background as excuses for their failures. Lastly, he stated that the youth of today have the opportunities to be anything they want to be. If one desires to be a glitch digger, to be the best, one ever. The students would like to thank Mr. Smith, for giving time from his busy schedule to come and visit us.
