Beane Installs New VOE Officers

[By Alicia Gonzales]
On October 12, the OEA club installed its officers. Guy Beane, Vocational Counselor, left, acted as presiding officer and officially installed the officers and members. The installation consisted of each newly elected officer taking an oath of office. At the end of the oath a candle was given to each officer to represent unity as shown in the picture above. The members then recited the club pledge in unison. After the installation ceremony Mr. Beane turned the meeting over to President Romo for a short business meeting. The meeting adjourned and refreshments were then enjoyed by all.

New R.H.S. Students

[By Leslie Harrison]
This week the Raider Review would like to introduce two more new students. They are Terri Hemphill and Janice Hemphill. Terri, a freshman, resides in Eagle Lake with Mrs. Georgia Hemphill. She used to live in San Jose, California and attended J. W. Fair Jr. High. Her hobbies are being involved in athletics. When asked what she thought of Rice High School she said, "It's smaller than my old school, but it is still good." Janice Hemphill, also a freshman, resides in Eagle Lake with Mr. and Mrs. Dennis Hemphill. She used to attend Floyd Hoffman Middle School in Houston. She too is actively involved in athletics. When asked what she thought of Rice High School she replied, "It seems like a great year."
