Meet The Rice FFA Sentinel

[By David Shimek, Chapter Reporter]

This week the FFA would like to introduce the Chapter Sentinel, John Lee Korenek, Jr. John is the son of Mr. and Mrs. John Lee Korenek, Sr. of Nada. John is a senior at Rice and has been very active in the FFA. He has participated on the Rice FFA Talent Team for two years and has shown an animal all three years in the Rice Local Show and Sale. When asked about his experience in the FFA, he replied, "the FFA is a great organization. It not only prepares you for a career in agriculture but also makes you aware of the world and life itself."

Besides being active in the FFA, John is also very active in other organizations. He is the President of the Business Club, Treasurer of the Student Council, a member of the JETS Club, and a member of the National Honor Society. Good luck John in the coming year and in the future!

Freshmen Selling Nature Gems

[By Renee Hunt]

The 1981-82 freshman class of Rice High School is conducting a fund-raising project. In order to raise money for their Junior Prom and also graduation expenses, the class is selling an assortment of nature gems.

The gems, manufactured by Immac of Angleton, are available in seven different styles. These include a hermit crab, a yellow butterfly, a fiddler crab, a starfish, a bee and a statue, a rosebud with a note "I love you," and a rosebud with a note "Moms are great." The gems are 3 1/2 inches by 3 inches and they cost \$10 each. The sale continued through Nov. 10. The

Jets Attend Career Day

[By Troy Hagendorf]

On Saturday, October 31, the JETS Club, headed by Maurice Gindrat, went on an educational field trip to College Station to participate in A&M Career Day. They visited different departments on the A&M campus that were set up to aid the students in different careers. After this they visited the Veterinary Hospital and the club saw the different laboratories, and the animal hospital where tests are ran. From there they went to the A&M-SMU football game. This field trip was a great learning experience and one enjoyed by all.

Meet The Rice Raider Football Team

[By Leslie Harrison]

This week the Raider Review would like to interview two Varsity players - Phillip Schorlemmer, a Junior, is the son of Mr. and Mrs. L. C. Schorlemmer of Eagle Lake. This is his first year on Varsity and he plays the positions of split end on offense and strong safety on defense. When asked what he thought of the team, he said, "We have a good team this year, but next year will be even better."

Kenneth Hemphill, a senior, is the grandson of Elizabeth Williams of Eagle Lake. This is his second year on Varsity and he plays the positions of running back on offense and linebacker on defense. When asked what he thought of the team, he replied, "The coaches do a real good job and the players work real hard. They can go to State next year if they keep on working hard."

Good luck to both of you and have a super year!

Who's Zat?

[By Alicia Gonzalez]

Who do you think this adorable little baby is? Few students were asked this question were: Kathy Ishee, who thought it was Emilia De La Garza; James Rhodes said it was Susie Gonzales; Jose Medina and Troy Hagendorf guessed it was Elva Ann Romo; and Pat Bradshaw said it had to be Elizabeth Garza.

Cindy Rodriguez was the only one who guessed who it really is - Frances Cortez, who is a senior at Rice High School.
