Freshmen Wrap-up Money Making Project Last Week

[By Jerri Clipse] The freshmen class has had great success this year with their money-making project of selling money-making items. Around eighty percent of the class participated and raised approximately \$1,600, which will be spent on their junior prom and graduation.

Prizes were awarded by IMINIC, the company sponsoring the project, to the top three salesmen in the class. The top salesman will receive twenty-five dollars, the second highest will receive fifteen dollars, and the third highest will receive ten dollars. The officers and class sponsor, Mr. Wendel, really appreciated all the effort put forth by the students who participated and carried the burden of those who did not participate. Congratulations to the freshmen for a great success!

team and has participated for two years. She feels that the team has gotten off to a good start and will get better as the year progresses. Mable is the daughter of Mr. and Mrs. Arvis Bluntson, Sr. of Garwood.

Pam is a member of the junior class. She also plays forward on the team and this is her first year participating. She thinks they have a good team and a super coach. Pam is the daughter of Mrs. Patricia Black of Eagle Lake. Good luck girls!

[By David Shimok Chapter Reporter] This week the FFA would like to introduce the chapter secretary. He is David Staff, son of Mr. and Mrs. Raymond Staff of Garwood. David is a senior at Rice High School and is very active in the FFA. Besides being chapter secretary, he shows a calf in the local show. David said his goal for the Rice FFA was to see that all the members participate in some way.

David is also very active in other activities in school. He is a member of V.I.C.A., the Business Club, Health Club, and the JETS Club. With people such as David this organization is sure to be a success!

[By Leslie Harrison] "Who do you think this cute, little rosy-cheeked baby is?" was the question asked around campus last week. Glen Hefner thought it was Tammie Psenick; Karen Rucka said it was Stacey Holden; and Ronny Cook, Melissa Ruethe and Donna Webb guessed it was Renee Hunt.

The ones who guessed right were Becky Benge, Billy Cook, Rhonda Trcka, and Kristine Carpenter who knew it had to be Rachelle Hunt, a freshman.

Mable, a starter, is a member of the junior class. She plays forward on the

Mighty Raider Band Sets Sights On Dist. Contest

[By Renee Hunt] Even though the high school football season is over and the bands will no longer publicly perform each week, the Mighty Raider Band is hard at work preparing for future activities.

First on the calendar are District Band tryouts which will be held on Dec. 3 in El Campo. Traditionally, many Raider Band members have been selected to the District Band and Mr. Spensath, Raider Band director, would like to continue this tradition. Those who participate in the District Band will advance to regional tryouts which will be held on Dec. 10. A regional concert will be given sometime in the first week of Jan. Mr. Spensath hopes to have several Raider Band members selected to this prestigious group.

According to the results of these tryouts, Mr. Spensath hopes to reorganize the band. Those who try out for District Band and those who are selected will be allowed to advance to higher chair positions in their sections. During the holiday season, Mr. Spensath hopes to have a Christmas concert both during school hours and at night.

The band has already begun rehearsing Christmas music, not only to get into the Christmas spirit, but also to practice sight reading. Other future plans for the band include a fund-raising magazine sale, concert and sightreading contest which will be held in Feb. When asked about his goal for the year Mr. Spensath stated, "We are working to be selected the top AAA band in our region."

[By Alicia Gonzalez] On November 23, the FFA department met immediately after school at the Heritage House to help celebrate Thanksgiving with the senior citizens. They played games with them such as dominoes, checkers, and Chinese checkers. They also sang songs and the people joined in and sang with them. For refreshments the FFA served punch, cookies and rice crispies bars. Before the members left, they placed in each of the senior citizens' room a little goody bag which contained a fruit, candy, a kolache and some cookies.

The afternoon was enjoyed by all.
