# OYBEAN STAND

## We stand behind it for More Life from the Land.

Stand Guarantee could be the most exciting news since hybridization. It's also surprisingly simple: when you plant Ring Around brand oybeans, you'll get a atisfactory stand-or we'll eplace each and every bag for planting. While your seed night not make a stand for rirtually any reason-frost, drought or other problems anything, in fact, except chemical damage or ntentional destruction)—the guarantee still stands. And that's true regardless of which high yielding Ring Around proprietary soybean variety you buy. No guarantee on public varieties, of course. Just remember-no stand, no problem. Ring Around

guarantees it.

The Ring Around Soybean

soybean varieties than any other company, and they're all especially designed for growing conditions in ndividual areas with the bredin insect and disease damage or intentional destruction. resistance required for consistent high yields year after year. You'll find a Ring Around soybean variety that's

maturity groups. See your Ring Around dealer today about the new Soybean Stand Guarantee. It means more life from the land,

GUARANTEE Ring Around Products, Inc. will provide soybean seed free of charge to replace all Ring Around brand soybean seed that fails to produce a satisfactory stand during the 1982 planting season for any reason other than chemical

ideally suited to your location, because Ring Around has proven high yielders for all

to obtain a stand.

#### PRAIRIE RICE

A PROVEN PERFORMER YOUR LOCAL RING AROUND DEALER If you're wondering how Ring Around can make an offer

Eagle Lake, 234-2531 Houston 342-5333

like this, the answer is as good

The number of bags replaced for replanting cannot exceed the number of bags originally used to plant the acreage in question. All replanting must be completed in 1982. Seed replacement requires the approval of an authorized Ring Around representative, Variety of replacement seed subject to

This replanting policy is in lieu of all other remedies and Ring Around is not responsible for any consequential damage from failure
