the closest thing to cost-free get a 5 percent cash bonus off driving."

Jim Miller, owner of J. F. Miller Ford, Inc. in Eagle -Lake, is announcing this new concept in the automobile industry at his dealership staff explain fully this now and invites you to come by and discuss this "car owner savings plan" with him on the 1982 Mercury Lynx and Ford Escort.

The new idea being introduced is a 24 month/-24,000 mile maintenance/warranty program and is one of the most comprehensive plans available, says Miller.

"It is included at no extra cost on Escorts and Lynx delivered from January. 13, 1982 through March 13, 1982 or order by February 15. 1982 and the order received by Ford Motor Company by Teb. 19, 1982.

Miller points out several features of the program which provides: a 24 month. 24,000 mile limited warranty coverage; all scheduled maintenance service for 24 months or 24,000 miles; and provides for replacement of wear items for 24 months or 24,000

"This program offers you, as an owner of Escort or Lynx, several advantages during the 24 month or 24,000 mile period," says the dealership owner. "It keeps your Escort in top condition through regular expert maintenance; avoids surprise expenses for wear iten replacement: reduces your cost of driving to an absolute minimum; and it helps your car- to keep its maximum

"The 24/24 Maintenance/ Warranty program is a totally new plan that is now available from Ford and Lincoln-Mercury dealers," says Miller. "No other leading utomaker has this program available; not GM or Chryser; not Toyota, Datsun. Honda or VW: nobody. In addition to the main-

Officers in the Columbus Corps requested a meeting with Judge Cranek recently to discuss the matter and a that time, they said that their personnel would be unable to eave their employment to handle routine transfer calls

without jeopardining their jobs. Weimar had representatives at the meeting but volunteers there have said that they will continue transfers and emergency calls as in the past. The Weimar unit reported 91 transfers of 10 miles or more, 100 of 10 miles or less and 160 etuergency runs in 1981. Eagle Lake was not represented at the meeting but Eagle Lake volunteers will continue servicing transfers and emergencies as in the
