## Dist. IV FFA Sweetheart & Talent Team Banquet Held In La Grange

The RAIDER REVIEW is published by the Journalism department of Rice High School, and the opinions reflected are of the students and not the administration, or the Eagle Lake Headlight, unless stated.

Thursday, January 28 the District IV FFA had their annual Sweetheart and Talent Team Banquet. The evening began with a turkey and dressing dinner prepared by the LaGrange High School Cafeteria. The banquet was officially opened by the 1982 Dist. Officers. President Kathy Ittner welcomed the guests, and Laura Grawander gave the invocation. ## Meet The Boys' JV Basketball Team

[By Leslie Harrison]

This week the Raider Review would like to introduce two more Varsity players on the Rice tennis team. They are Laurie Hubela and Susan Drik. Laurie, a junior, is the daughter of Mr. and Mrs. Frank H. Hubela of Garwood. This is her second year to participate in tennis and she plans on playing doubles this season. When asked to comment on this year's team, Laurie said, "I hope we're going to do really good this year."

Susan, also a junior, is the daughter of Mr. and Mrs. James Drik of Garwood. This will be Susan's second year to be on the team and she also plans on playing doubles. When asked what she thought about this year's team, Susan said, "With a lot of practice, I think we can accomplish a lot."

We would like to wish both of these girls lots of luck this year and hope they have a great season!

## What's missing?

A Federal Crop Insurance policy. That's what this farmer needs to complete his business picture. And what you need to make your plans complete for a successful crop year. All-Risk Crop Insurance covers the risk of losses from hazards like drought, flood, insects or disease.

Take a look at the five main benefits of buying All-Risk Crop Insurance:

- Protects crop investments** - Your yearly costs in good seed, fertilizer, chemicals, equipment and labor are growing. These charges need protection from loss.
- Allows expansion** - Will you be farming more land? Will you be adding crop storage? If so, remember Federal Crop Insurance limits what you can lose. Makes a risky investment attractive.
- Permits professional management** - When you limit the risk, you safeguard the investment. You can afford to spend extra dollars to maximize yields and profits.
- Builds family security** - Your family's security is threatened when crops are planted that remain unprotected from losses due to hazards of weather.
- Assures peace of mind** - You go to bed at night sleeping a lot better knowing your crops are insured against losses from unpredictable weather and other hazards.

It's just a good policy to put Federal Crop Insurance in your picture. Call your FCIC Crop representative today.

## Meet The Girls' JV Basketball Team

[By Patricia Fields]

This week the Raider Review would like to introduce two members of the JV girls team. They are Tracy Davis and LaDonna Dancy. Tracy, a sophomore, wears the number 34 and plays the guard position. She feels that the team is doing alright as long as they play together. LaDonna is the daughter of Mr. and Mrs. Freeman Dancy of Garwood.

## Who's Zat?

Who is this adorable little baby girl? That was the question asked by the Raider Review. Out of the many who were asked, there were only four wrong guesses.

Kitty Thomas thought it was Alicia Gonzales. Both Patty Stiles and Pat Bradshaw guessed wrong. They thought it was Elva Ann Romo. Kathy Ishee guessed that it was Emilia de la Garza.

There were four right guesses. They were: Julie Garcia, David White, John Lee Korenek, Jr., and Ms. Barbara Allen. They all knew that it had to be Cindy Rodriguez, a senior at Rice High School.

We are pleased to announce that Paul Perker has joined our sales force, as a new and used car salesman. Paul was born in Columbus, Georgia and has been a sales director for an insurance co. the past 16 years. He is married to the former Carol Jo Kallina of Garwood where they are now living. They have two children.

Paul wishes for all old friends and future friends to contact him about a new or used car or truck.
