Business Club Meets

The second meeting of the Rice Raider Business Club was held on Tuesday, Feb. 9th in the Commons at Rice High School. The meeting was called to order by President John Korenek, and the secretary and treasurer gave their reports.

Mr. Wendel, sponsor of the Business Club, introduced the speaker, Tom Reynolds, who is from WellTech where he is employed as General Manager of Operation and Development of the Columbus plant. Mr. Reynolds gave the members an influencing and inspiring speech about their future job and how he got where he is today.

After the presentation, new business was discussed. It was decided to have the Business Club Banquet on April 19th in the Commons at Rice High School. Mr. Wendel encouraged members to bring guests to the banquet so that the guests could see how the Business Club operates. Mr. Wendel commented that members should make this banquet a super affair and the best banquet ever. The speaker, Mr. Reynolds, was then presented with a gift, an ink pen with a digital clock.

Present AC Class At RHS

Waco Student Comes South

[By Renee Hunt]

The Raider Review is pleased to introduce a new face on the Rice High School campus, that of Brian Thomson.

Brian is the son of Mr. and Mrs. Sam Thomson, who just recently moved to Eagle Lake, from Waco, where Brian attended Richfield High School. Brian's father is the new Senior Vice-President of The First National Bank of Eagle Lake.

When asked if Rice High was any different from school in Waco, Brian replied, "There's a big contrast between a AAAA school and a AAA school. For one thing, it's a lot quieter and the people are 'friendlier'." Enrolled as a sophomore at Rice, Brian is involved in the Future Farmers of America and participates in golf and tennis. In his spare time he enjoys fishing and hunting.

The Raider Review would like to extend a warm Raider welcome to Brian and his family.
