Ministerial Alliance To Sponsor Concert By Gigers Friday, 7:30

The Eagle Lake Ministerial Alliance is bringing an outstanding concert due to the First Baptist Church of Eagle Lake this Friday, March 12, at 7:30 p.m. There will be no admission charge but an offering will be taken to meet concert expenses.

Highly acclaimed concert and recording artist, John and Mary Giger, have concentrated on a full time basis for the past five years. They have already sung over 500 concerts in churches, universities, conventions, and for Christian organizations throughout the United States, Canada and Europe.

The couple is rapidly becoming two of the nation's top ranking concert artists. Concert goes today are experiencing a new trend in Christian music through their work.

Trained in classical music and with strong personal backgrounds in the church, John and Mary knew before they were cast together in the opera, "Costi Van Tutte," that they had more in common than that production.

As they sang romantic roles in the opera, they developed romantic interests in each other beyond their character portrayals. They began singing together in churches and immediately their personal lives and careers took on new meaning.

Both John and Mary Giger are charter members of the Hidden Valley Opera Ensemble in Carmel, California. Mary was winner of the Metropolitan Opera auditions in Los Angeles in 1978 giving her an appearance at the Met.

The first cafeteria was opened in 1895 in Chicago on Adams Street between Clark and La Salle Streets by Ernest Kimball.
