Gov. Signs Proclamation For Library Week April 18-24

"The future of our state depends upon a well-informed public," says Governor William P. Clemente, Jr., in a proclamation declaring April 18 through April 24, 1982, to be Library Week in Texas.

"Public libraries as well as the libraries in schools and colleges and universities provide both the information that Texans need and the

information that makes their lives fuller," Governor Clemente says.

"Get To Know A Lifelong Friend—Your Library" is the theme of this year's observance of Library Week in Texas. The observance is sponsored by the Texas Library Association, and libraries throughout the state will be inviting Texans to take part in special activities during the week. One of the largest will be in Dallas, where a new Central Library will be dedicated on April 18.

Throughout the state, Texans are discovering that their libraries are indeed friends. Whether they want to repair their car or discover more about a distant planet or a distant spot on this planet, their libraries have the books and magazines and films that can answer their questions, noted the Governor.
