Mighty Raider Band Concert Ends Another Successful Year

About 400 Attend Spring Concert At Rice Last Thursday

The Mighty Raider Band of Rice High School closed out another outstanding year on Thursday night of last week with its annual Spring Concert in Raider Gym near Altair.

The band, under the direction of Floyd Spenrath and assistant director Jesus Gonzales, presented a variety of arrangements during the evening before a crowd of about 400 family members, friends and band boosters. A special highlight during the activities was the announcement of the band and its members, as elected by the band; the presentation of several awards; and the announcement of the lettermen for the year.

After the traditional playing of the Star Spangled

The next arrangement was called "The Great Movie Marchers" and included tunes from "Theme from Patton", "How the West Was Won" and "Conquest" (from Captain Jack). From the steady beat of the marches, the band picked up its beat a little to a medley of some popular Barry Manilow music which combined music from "Jump Shout Boogie", "Even Now", "Daybreak", "Ready to Take a Chance Again" and "Copacabana" (At The Copa). The next arrangement, "Big Band Bash", took a big step back in time as the Raider Band performed some "oldies but goodies". Included in the "big band" arrangement were popular tunes such as "Artistry in Rhythm", "Pseudo-Junction", "Moonlight Serenade", "Take the 'A' Train" and "One

SHERIDAN NEWS

By Velma Kutzar Ph. 234-3955

Mr. and Mrs. Earl Cousins were in Edna Saturday night to attend a dance recital in which their granddaughter, Kim Davidson, performed.

Sunday night we received one-half inch of rain, which according to Walter Bullard puts the rainfall for the week over five inches. South of here received quite a bit more.

Mrs. Agnes Welfel of Bay City spent the weekend with Mr. and Mrs. O. L. Botard and also attended the annual Homecoming Celebration at the First Baptist Church Sunday.

In Hospitals

Johnny Jahn underwent surgery in DeTar Hospital Wed., May 12. Get well wishes are extended to him and also to the small son of Mr. and Mrs. Greg Hadac who was in the Yorkham hospital last week undergoing extensive tests.

Bill Goode, local resident,

was rushed by ambulance to the V.A. Hospital in Houston Monday. He has been very ill for quite some time now.

I appreciate the calls I

received last week when people inquired "Why wasn't there any Sheridan news in the paper?" But the truth is after spending a day at AstroWorld with 36 freshmen from Rice High School, I was in no condition to gather the news.

Annual Band Concert

Last Thursday night the Rice Junior High band and also the High School band entertained a large crowd with their annual concert. Both bands were outstanding.

And deserve a big congratulations

on a job well done.
