Letter to the Editor

Dear Mr. and Mrs. Fearing: In assuming ownership of the Headlight and leaving the Lockhart newspaper, you have traded one fine town for another. I congratulate you upon taking the reins of a fine family-run paper and am glad another family will bring that special touch that is so important to a community.

Unfortunately, Eagle Lake will no longer be in

the Tenth Congressional District next year. But of the Headlight, while I am still serving you, please feel free to contact my office whenever I can help. I have enjoyed knowing the Fearing family for many years and am sure you will continue the fine public service they mastered so well.

Best of Luck.

J. J. Pickle
