**Sheriff's Report**

Two deputies promoted

By Jim Broussard

In a continuing effort to improve service to our citizens and maintain a better line of supervision, two deputies were promoted within the Sheriff's Office. Deputy Buford Ashley was promoted to captain and Lucien La-cour was promoted to lieutenant. This will enable a continuing line of supervision anytime the sheriff has to be out of the county. We will continue to seek ways to improve the service to our people.

**150th Texas birthday poster**

At a ceremony in the state capital last week, tourism chief Tom H. Taylor of the State Department of Highways and Public Transportation presented the first copy of a 150th Texas birthday poster to Randy M. Lee, executive director of the Texas Sesquiennial Commission.

The colorful vinyl-clad posters mounted on steel are scheduled for placement on Interstate and U.S. highways throughout Texas in preparation for Texas' century-and-a-half celebration.

"The department," said Taylor, "has one of the broadest mediums of communication in the state - the highways themselves. In rest areas from I-40 in the Panhandle to U.S. 83 in the Valley, these posters will invite Texans to get ready for the Sesquiennial year of 1986."

**Local FTA members attend workshop in Victoria**

By Cathy Lanyon  
On September 25, 1982, several FTA members of Rice High School attended a workshop conference held in the Victoria High School. The FTA members that attended were Kevin Brisco, district corresponding secretary; Rachel Hunt, Cathy Lanyon, and sponsor Lillian Gahke.

The first session was led by the district officers who gave reports concerning the budget, minutes, and upcoming events. A guest speaker was present to comment on the FTA programs. The speaker was the VHS principal, B. F. Erskine.

The members that were interested in a district office or that were interested in some of the ideas presented were encouraged to attend the preparatory classes so that

their chapter could benefit from this workshop. The different instructional workshops that were present were: I. president, vice president, parliamentarian, II. secretary, corresponding secretary, financial secretary, III. historian. These workshops both explained position duties and also suggested ways to fulfill officer positions better.

The second session was then called to order. Plans and announcements were revealed concerning the district convention and elections. The workshop was then adjourned.

Who's Zat?  
Who is this adorable little girl? This question did not prove to be very tough for many of the Rice High School students to answer. Although there were many correct guesses, there were some who were puzzled.

For instance, Melissa Hoffman, Karen Rucka and Melissa Wilcox thought it was Patricia Fields. Donna Webb was fooled into thinking it was Pam Stovall, while Carl Brown guessed it was Lisa Parker.

Those who were correct were Frank Bittner, Lisa Parker, Troy Corman, Larry Varela and Rhonda Treka. They all knew without a doubt that this beautiful young lady had to be Miss Stephanie Yvonne Rhodes.

**New teacher introduced**

This week, the Raider Review would like to introduce Ms. Catherine Balusek. This is Ms. Balusek's first year at Rice, but she grew up in El Campo and has relatives living in Garwood.

After graduating from Sam Houston State University where she studied environmental science, she became an environmental

chemist at Southwestern Laboratories, and then a teacher for the Albino Independent School District.

Ms. Balusek says that the students at Rice are cooperative, willing to work, and are 250% better than the students she used to teach. She teaches chemistry and physical science.

**Meet the Raiders**

[By Leslie Harrison]

The Mighty Raiders are on the move again and two senior campaigners to be interviewed this week are Phillip Schorlemmer and Darren Lanyon.

Phillip, as number 80, plays the positions of first string split end and strong safety. This is his second year on varsity and he has shown skill and determination through his position as a receiver. He is the son of Mr. and Mrs. Louis Schorlemmer of Eagle Lake.

Darren, as number 70, plays the position of offensive tackle and starts as a defensive end. As a first year varsity member,

his hard work and dedication can be seen by the many tackles he chalks up every Friday night. He is the son of Mr. and Mrs. Bill Lanyon of Altair.

Both Phillip and Darren have high expectations for the team this year and they feel that if everyone puts out his best, they will go undefeated.

Everyone come out and show your support by cheering on these Mighty Raiders!!

THE RAIDERS REVIEW is published by the journalism department of Rice High School, and the opinions reflected are of the students and not the administration, or the Eagle Lake Headlight, unless so stated.

**BILL PATMAN IS THE WINNER WE NEED IN WASHINGTON.**

Now, more than ever, we need a Representative who can fight our battles in Washington...and win. Thank goodness, we've got one. Bill Patman. For 22 years, he's been our effective friend in government, and his record proves it.

**Fighting high interest rates.**  
• In the Texas Senate, Bill Patman stopped six different bills that would have raised our interest rates.  
• In Congress last year, he killed a bill that would have erased state control of interest rates and sent rates even higher.

**Strengthening national defense.**  
• He wrote and sponsored the bill that makes the Federal Reserve Board accountable to Congress when it hurts us all by jacking up interest rates.

**Helping older Texans.**  
• Bill Patman wrote and will push next year an important bill to keep worldwide control of strategic minerals out of the hands of our enemies.

**Responsiveness to our needs.**  
• During the Hallettsville flood, Bill Patman was on the scene in 24 hours, helping to get relief for victims in five counties.

• During his first term, he has held 37 town meetings in local communities throughout the district, and helped 1,432 individuals and communities cut through red tape to solve problems with the Federal government.

Bill Patman's record as an effective, responsible Congressman is proven. Now he's ready to go back and fight even more important battles for us.

If you really want to do something to bring effective government to Washington, you'll have your chance November 2nd. Re-elect Bill Patman to Congress.

Re-elected Bill Patman to Congress.
