Appreciation

To The Editor:

During this National Newspaper Week, we are reminded of the invaluable public service that the newspapers in our area perform the year round, often without accolades or recognition.

We certainly are aware of the cooperation and assistance extended to our Department. Your timely, accurate coverage of the

many areas of highways and public transportation would not be possible without your hard work and dedication.

We sincerely appreciate your efforts and will be happy to continue working with you and your staff.

Sincerely yours,

Carl V. Ramert
