

People speak up for Joe Wyatt

"I've known Joe Wyatt since he was eight years old, and I've known his family. In fact, I was Joe's Third Grade teacher. As a student, he was hard-working and wanted to find the right answers. Then he'd help other students find the right answers, too. That's exactly what he did when he went into politics. He worked hard to find the right answers that would help people. That's the kind of man he is."

MISS ETHEL BLAKEMORE,
RETIRED TEACHER, VICTORIA

"This campaign has been tough for Joe and his family. Imagine how you'd feel if you were unfairly and unjustly accused of something you didn't do, and you had to hear the same old thing over and over from somebody like Bill Patman. The one thing Mr. Patman has proved about himself is that he's the biggest gossip in Texas. I'm glad I don't live next door to that man."

MS. FRAN ORTGA, HIGH SCHOOL,
CLASSMATE, BLOOMINGTON

"Anybody who knows Joe Wyatt at all knows that he's a decent man. I don't know how I would deal with everything he's had to deal with in the last few years. But Joe's sense of humor never fails him. He never takes himself too seriously. As far as I'm concerned, that's probably his best quality. That, and his honesty. Sometimes it seems to me that Joe Wyatt is too honest to be a good politician. But it's that kind of personal honesty we need in a Congressman."

MRS. NADINE MARTIN JOHNI,
HOUSEWIFE, VICTORIA

"...the spirit of Victoria and this district must be represented by a sound, sensible, and compassionate man like Joe Wyatt - I'm pleased to be at this side today."

THE HONORABLE GEORGE RUSH,
Vice President of the United States
August 1, 1982

"For 20 years or better we've listened to politicians talk about getting funding for the jetties at the mouth of the Colorado. When Congressman Joe Wyatt went to work on the problem, he had his staff giving him weekly reports on the progress being made. Joe Wyatt obtained funding for the project. Then Bill Patman took over and dropped the ball. Funding for the project was lost and no funding was provided in 1982. Now that he's running for re-election, Bill Patman has suddenly discovered the jetties and put out a press release saying he was confident of obtaining the funding. What Mr. Patman gave us was 20 months of neglect and a press release. We need to put Joe Wyatt back to work so we can get some effective action."

MR. GEORGE BROWN, DEMOCRAT,
FARMER, VAN VLECK

"I've always trusted the people with the truth about my life. I'm a human being, and I've made mistakes. But I've learned from them."

"Faced with false accusations, confronted by my opponent's smear campaign, I've told the truth and done the

best I could.

"People are just going to have to take a look at me and at my opponent, at my campaign and his campaign, and then make the best judgment they can. I'm comfortable with that."
