1 Public/Legal Notices

Cooperative is to provide the requested electric service and most reliable service possible to these various counties. The electric service will be provided by the Cooperative. These new line extensions will be installed primarily along rural roads, and construction into any forest areas will be limited.

All construction will be in accordance with the Rural Electrification Administration's standards. The proposed facilities will also be in accordance with the long range planning for the system and ultimate plant needs.

If there are any comments on the environmental aspects of the proposed construction, they should be submitted to the cooperative within thirty (30) days of publication of this notice. If there are no objections within this period, it will be assumed that these projects are approved.

Additional information may be obtained at the cooperative's office at Hwy. 59 East, El Campo, Texas. Telephone No. (713) 543-6271. (11-4-11)
