Dear Friends:
It is said: "A picture is worth a thousand words in telling a story."
Your Wharton County Historical Museum has a GREAT STORY to tell of public service in gleaming past data from many sources, preserving such history and presenting it for all to share and enjoy as exciting exhibits within the Museum.
Over 5000 visitors have come to the Museum within the past two years since its doors were opened. In addition, numbers of school children have come for special tours.
Board members suggest we join together in thinking of our Museum as a "PRESERVATION CENTER OF WHARTON COUNTY'S HISTORY". Much history has already been lost, but great amounts can be and are being rescued and preserved.
We -- the board members of your Museum -- ask for your help. Help in gathering historical photos and other historically-important evidence. Help also, through your tax-exempt membership contributions. Even with most of the Museum work being carried by volunteers, there remains innumerable items of expense.
Please read and study this second annual report and send your check to make you a full member of the SUPPORT TEAM.
Why not send your check today?
Gratefully,
Ken Paul President
