### One Act Play cast announced

By Debbie Wilson

The results of the tryouts for the One Act Play have been completed. The casts consists of Rachelle Hunt, Leslie Harrison, Leslie Heard, Valerie Benge, Vicky Hernandez, Laurie Bubela, Jan Zbranek, Mary Leopold, Brian Thomson and Brandon Cope.

The alternates are Sharri Webb, Cathy Lanyon, Melissa Hoffman and Sonia Hernandez. The crew consists of Rodney Sanford, Karen Schneider and Kevin Hrisco.

The One Act Play is sponsored by Ms. Allen.

She said it was very hard to select the cast. Ms. Allen also said the kids have a lot of spirit and they are working hard!

The ULL play chosen is "Once Upon a Playground." It is about the fear adolescents have about being different, and not liked by a group. It is both funny and dramatic. Ms. Allen says "Win or lose, we have a good show."

Ms. Allen is thinking about putting the play on for the public after competition. District competition for ULL is March 24.

### Student Council meets

By Laurie Bubela

The Student Council held its bi-weekly meeting on Wednesday, January 26. President Rucka called the meeting to order. The minutes were read and the treasurer's report was given.

A project was discussed but no decisions were made. Projects under consideration are covered walkways, from the student parking lot, the installation of a pay phone outside, and having letters (Rice High School) put up on the wall facing the parking lot.

The Council is talking about attending the Spring Convention. This convention will be held in El Campo this year. It was suggested that Rice run for a district office at this convention.

Western Day will be held on Friday, February 4. On Valentine's Day, the Student Council will once again sponsor the "Mr. Irresistible" contest.

The meeting was then adjourned.

### Meet the School Menu

By Stacey Holden

This week the Raider Review would like to introduce two more varsity players. They are Stanley Powell and Shawn Spanhel. Stanley wears the number 44 and plays the position of forward, and is a junior. He feels there is a lot of pressure on him and the team by Coach Grammer. When he is not playing during the game, all he can think about is getting back into action on the court.

Shawn is also a junior, wears the number 34, and plays the position of forward. Shawn feels that there shooting percentage is a main factor in their upssets. He feels that they just cannot get everything together. When he was asked about the second string, he replied that it was good, but some do not have the experience or ability of the first string.

We wish the Raiders luck in the last half of the basketball season.

### RHS students take 18 awards

By Julia Rosprim

Twelve Rice students won eighteen awards at Wharton High School's math and spelling meet held Saturday, January 22. This practice meet was sponsored for contestants who will be entering the UIL district competition later this year.

Capturing five places was Shawn Spanhel, who won third place in Number Sense; third place in Algebra I; fifth place in Geometry; sixth place in Algebra II; and seventh place in Calculator.

Winning two places were Debbie Kretschmer, who received fourth place in Algebra I and fourth place in Trigonometry; and Lillian Gohlke, who received fourth place in Algebra I and fourth place in Trigonometry.
