Raider boys lose district chances

The Rice Raider basketball teams will be packing up their uniforms and equipment after Friday night's game with Waller in Raider gym.

Until Monday night's game with Hempstead, the varsity boys had an opportunity to vie for the district playoffs, but Hempstead eliminated the Raiders.

The road to the state championship begins with the Rice Raiders' game opened, the Raiders were as much as 12 points ahead in the first half, and still lead by seven at the half, 33-26. The third quarter was mostly Hempstead, as they took the lead at the end of the third quarter, 43-41.

However, the Raiders still had a chance in the final quarter, but blew it by missing both shots of a two point foul, and the first shot of a one-and-one foul shot. The final score was 55-52 Hempstead.

That loss put the Raider record at 7-6 for district play and 17-11 for the season. Coach Jack Grammer said Rob Johnson had a good game, particularly in the first half, finishing with 19 points. Rodney Parker was the only other player in double figures with 12. Delbert Jarvis and Cedric Pope each scored 9, and Stanley Powell scored two.

The Hempstead freshmen beat the Raider freshmen 49-41.

The varsity girls Raider team finished their season and was third place in the district.

Columbus and the second place district winner to be determined Friday night, begin district playoffs February 25.

The Junior Varsity boys finished their season with a win over the Hempstead JV, 39-30, putting their season mark at 13-7. Donald Spears scored 13 and Derick Thomas had 12 in the game.

Police make burglary arrest

A Columbus resident was lodged in the Colorado County jail Tuesday charged with last week's burglary of J. F. Miller Ford in Eagle Lake.

Willie Jackson, Jr., who lists Eagle Lake as his birth place, is in jail on \$10,000 bond after being arrested Monday in Fort Bend County by officials there. He was transferred to Eagle Lake this Tuesday morning then to county jail after bond was set by Judge M. M. Jones.

Last Tuesday at 8:10 p.m., police answered a call by Sonny Breithaupt, a Miller Ford employee, who told them that he had stopped by the dealership to use the telephone and heard a noise. When he went to look, he found a man holding two tires, who, according to the police report, said "you caught me."

Breithaupt said the man pulled a gun, then fled. Entry was gained by breaking a window.

In other activity, police investigated the theft of an FM radio converter and hair dryer from a vehicle, a slashed tire on a truck, a beating at a bar, and the theft of a 10-speed bicycle.
