Officers in the county will be checking for incidents involving mail boxes, and anyone caught tampering with the boxes will be prosecuted. Student Council meets

By Laurie Bubela

On Wednesday, February 23 the Student Council met in the meeting room. President Rucka called the meeting to order.

The first item of discussion was the spring convention. At the last meeting the Council decided to go and run for the convention. Ms. Garcia said that there were some conflicting events to be held on the same day, and asked how many Council members would be affected. She told us that the convention would be held on April 7, and began at 2:30.

The project committee met Mr. Grahmann on Monday, February 28, during lunch A. The members of this committee are Ronny Cook, Stephen Mahalite, Connie Prazak, Coby Shorter III, Bertie Garcia, Karen Kocurek, Michael Romo, and Derrek Williams.

Valerie Benge then motioned that the meeting be adjourned. Sheila Dabney seconded the motion, and President Rucka adjourned the meeting.

Baseball underway

By Patricia Fields

Baseball opens to a fresh season with a new coach, Mark Faldyn. This year's team consists of thirteen players and two managers. They are returning members Dwayne Papp, Shawn Spaniel, John Wunderlich, Terry Sauliner, Mark Munoz, Steve Almanza, Alex Ramirez, Bobby Varela, Carl Brown, Stephen Drisk, and Xavier Salinas. The new players are Troy Corman, Roland Soto, Mike Romo, Brian Ellis, and Frank Bittner. Also, managers, Sammy Soto and Rodney Sanford.

The guys opened the new year with two scrimmages against Schulenburg. "The first one showed some good things defensively. The pitching was good and they had some sound defensive plays at key positions."

However, they lacked in hitting and need to concentrate on it more. The second one has proved that our hitting has gotten better," explains Coach Faldyn.

District play begins Tuesday at Rice, against Bellville. The game will begin at approximately 4:00 p.m. "In district, I feel we have a good chance to become competitors. Teams such as Columbus, Sealy, LaGrange, and Bellville will be tough as always. They have always had good programs. The other teams in the district will not be pushovers. On what I've seen so far, our pitching will be fine, but if we are to be contenders, we'll have to come around with the bats," stated Coach Faldyn.
