

BUZZIN' ABOUT TOWN

* Spring was officially here Monday. However, the thermometer dipped to 35 degrees Sunday night. Someone needs to tell "Old Man Winter" that it's time for his vacation.

* There is a lovely display of bluebonnets at the home of Butch and Lena Farms on South McCarty Avenue.

* Don't forget to take the children to see the Easter Bunny this Saturday morning.

* Mrs. Kathy Jankowiak

formerly Kathy Reuther of Eagle Lake, earned her Masters Degree from the University of Houston central campus this past fall semester. Her degree was in education with an emphasis in occupational education. Kathy is presently teaching typing and shorthand at Columbia High School in West Columbia. Kathy is the daughter of Mrs. Jack (Erline) Listowski of Eagle Lake.

A program by students at the Eagle Lake Primary School, and awards presented by the Cub Scouts were the highlights of the meeting last week of the Noon Lions Club. The children, at left, presented the program they had put together for Public School Week. Below, Larry Dulany presented Clarence Coldey and Abel Gonzales with caps signifying their election to the 78'er club. At right is Gene Brown who was presented a plaque for his assistance to the scouting program. While Gonzales shows his cap, Clarence is wearing his backwards, which is a requirement of all 78'ers. Upon doing a good deed, the members may wear their caps correctly.

"Sandy Patty" places seventh

Shown above is Shawn Wiese, 12, a seventh grader at Sheridan school, and his Jersey heifer, "Sandy Patty", of T. & P. Jersey Farm. Sandy Patty placed seventh in her class of one year olds and Shawn received a blue ribbon award. Shawn also placed third in the Good Herdsman Judging. This is based on good care and grooming of your exhibit and neatness and cleanliness of the assigned stall. He was presented with a check at the awards presentation. Troy Krenek and Ronel Roberts sponsored Shawn at the Houston Livestock Show through the Rice Consolidated FFA chapter in the Junior Dairy Division.
