Men's softball league met Monday

The Rice Area Men's Softball League held its initial meeting of 1983 on Monday night of this week with eight teams represented. A final meeting has been scheduled for Wednesday, May 11 at the Eagle Lake Municipal Building.

Indications are that several more teams have shown an interest in this summer's softball program but were not present Monday night.

In the brief meeting held at the Municipal Building, no formal action was taken by the group, however it was decided that no more than 10 teams will be allowed to play in the men's league and all teams planning on playing must be present at the next meeting to be held on May 11. At that time a \$100 deposit from each team will be required.

The May 11 meeting will be the final time the league will meet prior to the season," said current league president Jeff Frnka. "Last year we set up a schedule and then two teams dropped out before we ever got started. So this year, we are requiring all teams planning to play to turn in a \$100 deposit before the schedule is made. Once we determine what our entry fee is, we will ask the teams for the remainder of the balance prior to playing their first game."

Frnka added that the \$100 deposit is not refundable should any team drop out of the league. A few items on the agenda for May 11 include: election of officers; discuss umpiring and rule changes; determine game nights and number of games each year we set up a schedule and then two teams dropped out before we ever got started. So this year, we are requiring all teams planning to play to turn in a \$100 deposit before the schedule is made. Once we determine what our entry fee is, we will ask the teams for the remainder of the balance prior to playing their first game."
