HELPFUL HINTS

ONIONS - For tearless, odorless cutting, use refrigerated onions.
LIMP LETTUCE OR CELERY - Old lettuce or celery perks up if put into cold water with a few drops of lemon juice added.
STALE BREAD - It makes the best french toast.
STALE MARSHMALLOWS - To freshen, seal with a slice of bread in an airtight container or plastic bag for three days.
SHRIMP - Fresh celery leaves dropped into a pot while cooking shrimp, will help destroy its odor.
CRACKED EGGS - Rub salt generously over the crack and it can successfully be boiled.
LEMON JUICE - Twice the amount of juice will come from a lemon if it has been placed in hot water for a few minutes.
BRASS - Worcestershire sauce cleans brass in a flash.
EASIER PEELING - Before refrigerating, pour boiling water over oranges and let stand five minutes.
