Men's Softball League

The Rice Area Men's Softball League meets tonight (Wednesday, May 11), not last Wednesday as reported earlier, to wind up its preparations for the 1983 summer program.

Teams interested in participating should attend the meeting and should have a \$100 down payment on the entry fee ready to be turned in at that time.

Eight teams are indicating that they will play this summer leaving only two spots open since the league will be limited to 10 teams.

Election of officers and discussion of rules and regulations will be among the topics on the agenda so representatives of each team are urged to attend.

Girls 800 meter relay team ends track season in fourth place

Emelda Clayton, Tracey Davis, Jackie Parker, Renea Perdue and Lisa Brown end a long track season which began March 12 with a fourth place in the 800 meter relay in the State Track Meet and a fifth place in the 100 meter dash by Davis, Jackie Parker, Clayton. The 800 meter relay team has placed first in the Hallettsville, Needville, Brenham, Yoakum and Jourdanton relays, and placed second in the regionals which qualified them for the state meet.

Mrs. Dollie Johnson feels like these girls worked extremely hard to get this far and sees a greater number of track girls to make it back to State for the upcoming year. The 800 meter relay will be returning two freshmen and one junior, leaving one spot open for an exceptional runner to be filled. Clayton and Perdue should be there in the 100 meters and the 200 meters, and with a pretty good junior varsity and junior high group of girls, we could go in a few other events.

During this 1983 track season the girls have broken the following records previously held by girls at Rice High School: Lisa Brown, long jump, 15' 10"; Lisa Brown, triple jump, 34' 4"; Emelda Clayton, 100 meter dash, 12.0; Renea Perdue, 300 meter dash, 25.8; Becky Kutzer, 800 meter dash, 2:30.6; Lisa Parker, Renea Perdue, Karen Schneider and Emelda Clayton, 400 meter relay, 49.56; and Jackie Parker, Renea Perdue, Tracey Davis and Emelda Clayton, 800 meter relay, 1:45.08.

For a hard working season coming to an end, the 1983 Rice Raider track girls did an outstanding job.

LL opens season

The official opening ceremony for the 1983 Little League season was held Monday evening at 6:45. Charles Darnell, league president, presided at the ceremony.

Special recognition was given several persons who have made the Little League program function over the years. Laurel Holden, Little League secretary, was commended for her faithful service in handling the multitude of paperwork involved in the program. Darnell recognized Bill Blair for service above and beyond the call of duty. As Darnell said, "Bill is always there when we need him." Draper Stephens was recognized for his efforts in the girls' program and Charles Abel was present to receive an award in behalf of the school system for the use of practice fields.

One of the most visible things for which thanks were given is the appearance of the Little League field. Many long hours of work have produced a lush, green and well maintained playing field. Benny Miller and Johnny Prazak received an award and many thanks for this accomplishment.

Following the presentation of awards, Mayor Elmer Struss made his address on a very personal basis to the little leaguers. He stressed the importance of Little League in growing up. He said that even though they have a few years before adulthood, they can display one trait of adulthood — that of acting like ladies and gentlemen. He also stressed the importance of parent participation whether through actually helping with the Little League program or by attending games.
