Double-ring ceremony unites Donna Frank, Raymond Bubak

The St. Paul Lutheran Church in Columbus was the setting for a double-ring ceremony uniting in marriage Miss Donna Gail Frank and Raymond Lee Bubak on June 18, 1983.

The bride is the daughter of Mr. and Mrs. Bonney Frank of Columbus. Her grandparents are Mr. and Mrs. August J. Jones and Mr. and Mrs. Dennis Frank, all of the Bernardo community.

Parents of the groom are Mr. and Mrs. Acie Bubak of Bernardo. Grandparents are Mrs. Bernice Bubak of Bellville and H. P. Davis of Kirbyville.

Pastor Robert E. Schmitt officiated and Elena Brune provided the organ music. Nancy Rosenauer sang "The Sweetest Thing," "Surround Me With Love," "Just You and I," and "The Wedding Song" to guitar accompaniment.

The bride, given in marriage by her father, wore a gown of white Chantilly lace. The Victorian bodice, accented with Venice lace, was overlaid with a deep drop-shoulder ruffle. The full skirt fell from a natural waistline to shiplap length in front, sweeping gracefully back to a train of semi-cathedral length. Rows of ruffles, pulled up at several points by ribbon, adorned the bottom of the skirt and train. Her veil fell from a Juliet cap with matching lace and pearls. She carried a cascade bouquet of white and lilac roses.

She fulfilled the tradition of something old, her great grandmother's "gold wedding band," something new, her gown; something

borrowed, a pearl necklace and earrings; and something blue, her garter.

Bride's attendants

Cheryl Frank served her sister as maid of honor. Bridesmaids were Roxie Brasher, Wanda Muske, Audrey Baron and Patzy Kansteiner. They wore dresses of lilac featuring a bodice with a scooped neckline formed by a deep ruffle. The long tiered skirts ended in another deep ruffle, caught up in several places with ribbon. Their hair was adorned with lilac flowers.

The flower girl, in a miniature wedding dress, was little Melanie Frank, cousin of the bride. The ring bearer was Troy Roensch.

The groom chose as his best man Rocky Leopold. Serving him as groomsmen were "Dusty" Dittmar, Wesley Jasek, Mark Ludecke and James Prichard.

Ushering wedding guests were Brad Bryson, Steven Glaeser, Smokey Leyendecker and Karl Ed Valenta.

Both the bride and groom are graduates of Columbus High School. Donna is currently employed at P&A Materials and Raymond is engaged in hay hauling and ranching in Bernardo, where they now live.

Rehearsal dinner
Following the rehearsal on Friday night, the groom's parents honored the couple and their attendants with a catered meal which was also shared with relatives and out-of-town guests.

arched bridges containing tapered lilac candles. The white cake layers were delicately trimmed with lilac flowers. The groom's cake was a three-tiered German chocolate. Both cakes were made by Sharon Roensch.

Guests also enjoyed tuna and chicken salads, pimento cheese spread, fresh vegetables, dip, chips and pickles. Serving as house party members were Sandy Jones, Sandra Anderson, Sondra Dittmar, Deborah Underwood, Lisa Cloat, Carol Bubak, Leslie Goldsmith, Melinda Bustamante, Melinda Zajick, Brenda Marburger, Anna Schindler, Pat Stallman, Holly Harrison, Johanna Griffith, Mae Dene Zajick, Becky Marie Hayek.

Music for the reception and dance was provided by Ty Prouse with his band, Ty and Tabasco. The grand march was led by Mr. and Mrs. A. J. Hill.

To leave for their trip to South Padre Island, the bride chose a blue and white sundress with white accessories.

The hostesses for the Altar Society meeting, which was held Thursday, were Mrs. Adolf Hollas and Mrs. George Andel.

Seventeen members were present. The meeting was presided over by Mrs. Emily Stiles, president. Mrs. Joe Mike Spaniel read the minutes since Mrs. Ralph Gertson, Jr., the secretary, was not present. Father Ray Widacki was absent.

On the 12th the ladies served refreshments at the Heritage House. Ladies who volunteered to make cakes were Mrs. R. F. Spaniel, Mrs. Nolan Grasshoff, and Mrs. George Andel.

The church picnic which was held June 26 was discussed as to where we could make improvements.

July 19 there is a D.C.C.W. meeting in Chapel Hill. Any lady wishing to go should be at Didner Hall at 8:30 that morning.

Two artificial trees were brought in by Charlyne Spaniel and Dorothy Kohlefeld. These were purchased by the Altar Society and will be put in the church.

Vernell Kucherka won the door prize, a spiritual bouquet.

How to cut the cost of staying cool

If your home is air conditioned, you're probably using more than half the electricity you buy every month during the summer.

And since summer in South Texas lasts a long time, it's worth a little extra effort to put the air conditioner on a low kilowatt-hour diet. Here are some reminders that will help.

TUNE IT UP. Before the hot season begins, have your air conditioner cleaned and checked by a qualified technician. An annual checkup can prevent costly repair bills and keep your unit running at top efficiency.

DON'T OVERCOOL. Keep the thermostat at 78°. Each degree below that setting could add another 14% to the cost of operating your air conditioner.

KEEP IT CLEAN. At least once a month, clean or replace the filter. Clear obstructions away from outside unit so air can

circulate freely.

STOP AIR LEAKS. A large amount of costly air infiltration enters through wall-light switch outlets and plug-in sockets. For about \$10, an on-life house can be sealed in these places with inexpensive gaskets. In addition, you'll want to caulk all cracks and

holes, and install weather stripping around windows and

BLOCK OUT THE SUN. Keep direct sunlight out of the house with draperies, blinds, shades or awnings. Plant trees and shrubs for additional shade.

TURN ON THE FANS. You'll use less air conditioning comfortably at a higher thermostat setting with electric fans.

SHOP CAREFULLY. If you plan to buy a new air conditioner, choose a unit with an Energy Efficiency Ratio (EER) or SEER of 8 or above. You also need to make sure the unit is properly sized.

For more information, ask for a free copy of "How to Save Money on Your Air Conditioning" at any CPL office.
