Although there may not be enough time to put down the final surface, the road around Rice High School was dug up this month and reworked, to provide the proper base structure. The work was done by Colorado County, since the road is county owned.

A strict believer

Before starts on August 22, and the two are expected to be tenanted into two other classes of ten students.

For the first-time high school students, Grannum will distribute his information packet to help them through that first day in a new environment. It contains such things as dress and grooming codes, time

and Joyce Davidson was retired; Frederick Williams is in special education replacing Cummings; and Douglas Wright, academic counselor, is replacing Bill Carpenter, who moved to consider in the Columbus school district.

time for them to have to be a little more after school hours, a little better planning."

Students are supposed to be in school 175 days a year, but that's not always the case. On the first day of the school year, the student should receive 175 hours of instruction. However, non-attendance is not counted. The student is in that class as few as 140 hours. "We are going to maintain an

Rice High Counselor

When you get a closer look this fall, football fans will find new, aluminum seating installed on the home-side of Raider Stadium.

The parking lot at Rice High School may still show some signs of roof construction when school starts. This photo was taken about ten days ago.
