Sunshine class met August 25

The Sunshine Class met August 25 in the home of Jonie Mae Muzny. Ophelia Beane presided at the meeting and members answered roll call with a favorite Bible verse. A very pleasant surprise was a phone call from Mattie Barnett in LaPorte. Everyone told her how much she was missed and hoped she can return soon. After a short business meeting, Ophelia presented the study — "The Prayer of Joyous Blessing." Everyone had so many blessings, but there are many who need prayers for God's richest blessings. Elsie Beane read an article on the author, Katherine Marshall, a very lovely tribute to one who helped others so much through her writings. The hostess served a salad plate, cookies and iced tea. Elsie Beane is hostess in September and Tommie Neiswander will lead the study. Reporter
