FOOTBALL CONTEST

\$10 to First Place

(Entry listing the most correct winners)

\$5 to Second Place

RULES:

Study the games listed below in the advertisements. Each game is numbered. Pick the teams you think will win. Write those team names on the entry form, matching game numbers to numbers on the form.

The entry with the most games guessed correctly will win \$10. The second-best entry wins \$5. First and second place will be awarded every week.

Entry forms must be in the Headlight office by 5 p.m. Friday before the games are played, or if mailed, must have that day's postmark. Winners will be announced on

this page the following week, except for the last week, when they will be on the sports page. The contest lasts through November 3, 1983.

At the bottom of each entry form, write in the total points you think will be scored in Friday night's Rice Raider Game. In case of ties in guessing the number of winners, this score-guess will be the tie-breaker. If ties still exist, winners will be drawn.
