

Farm Safety Week Sept. 18-24

Protecting rural children and teaching them safety measures is the emphasis of National Farm Safety Week September 18-24, according to George R. Gustafson, executive vice president of the Texas Safety Association. The 4th annual observance of rural safety has been proclaimed by President Ronald Reagan and is being sponsored by the National Safety Council and the U.S. Department of Agriculture.

Farm Safety is a particular concern in Texas, where 100 persons lost their lives in farm accidents last year, according to Gustafson. The statistics are tabulated by the Texas Farm Bureau, based on data furnished by the Texas State Health Department. These records show that of the 100 deaths, most were the result of tractor accidents, followed by drowning, electric current, and machinery, he said.

Safety leaders estimate that the incidence of these rural-type accidents is actually much greater than those numbers reported, he said.

Although farm fatalities are a major concern, farmers and ranchers should also be aware that up to 20,000 disabling injuries and up to 250,000 series injuries requiring medical attention occur to Texas farmers and ranchers each year, according to Dr. Gary S. Nelson, Extension specialist in safety engineering, Texas A&M University and Texas Safety Association vice president for agriculture.

According to Nelson, "If you are a farmer or a rancher, the probability of experiencing a serious injury this year is 1 in 5."

Jarrod Wayne Beak visited with his grandparents, Mr. and Mrs. Frank Beak a few days and went back home with his parents, Wayne and Laurie Beak.

Mr. and Mrs. Ricky Kristyuk, Mr. and Mrs. Simon Barrios and son Scott of Rosenberg, and Mr. and Mrs. James Brossman, Roxann, Scott and Sheila of Schenlenburg visited with Mr. and Mrs. Bernard Kristyuk and also attended the Nada picnic last Sunday.

Mr. and Mrs. Monroe Krenke went to Fayetteville last Sunday and attended the picnic there and also visited Mr. and Mrs. Henry Krenke at Frelsburg.

The Garwood Lions Club met at their regular meeting this past week. Judge Lester Crane was the program speaker for the Lions at their regular meeting. He gave an interesting talk on our county budget for the coming year.

NOTICE OF RATE CHANGES Due to continued increases in the cost of utilities and operation, it has become necessary to revise the rates charged customers of the Colorado County Water Control and Improvement District No. 2. The water service rates in effect through August, 1983 were those set when the District began regular operation of services in 1960. A small adjustment for sewer service was made when the new plant began operation in 1979. The District can no longer provide safe and adequate service with the revenue from those rates.

Beginning with the next regular billing for September service, the following rate schedule will be used:

Business Service: Water—First 4000 Gal. — \$10.00 (minimum). Each additional 1000 gal. — \$.65 per 1000. Residential Service: First 4000 Gal. — \$6.00 (minimum).
