By: Vicky Hernandez
The first meeting of the Rice High School FHA/Herz Chapter was held September 18, at 2:15 p.m. in the meeting room. The total number of members this year is 74, not including the sponsors; Mrs. D. Wundelich, Mrs. D. White and Miss J. Corneah. The meeting was conducted by all candidates seeking the office of president, who were: Billy Harrison, Sharri Webb, Becky White and Debra Douglas.

The first business at hand was election of new officers. They are as follows: president, Billy Harrison; vice-president, Sharri Webb; secretary, Sheryl Hemphill; treasurer, Michelle Milligan; sponsor of recreation, Sherri Franks; historian, Beth Ferguson; parliamentarian, Maria Ramirez and vice-president of public relations, Vicky Hernandez.

In addition to the election, a guest speaker presented an insight on leadership at the area state level. Renee Y. Mota, State FHA/Herz President from Louise provided information and reminded the Rice Chapter about their opportunities tied in with the motto, "Tomorrow's

dreams, today's adventure." In appreciation of the presentation, the Rice Chapter presented Renee with a gift. Mrs. Spaniel, sponsor of Renee Mota, was also recognized and thanked. Ice cream was then served as a refreshment and the meeting was then adjourned.

Next, President Shorter discussed the CVASC convention. The convention

Student Council holds second meeting

By: Roxanne Ripper
The Rice High School Student Council held their second meeting on September 21 during first period in the meeting room.

President Coby Shorter, III called the meeting to order. Roll was called by recording secretary, Roxanne Ripper, and it was reported that all members were present. Next, Roxanne Ripper read the minutes from the previous meeting. Stacey Holden then gave the treasurer's report.

Next on the agenda was a report from the committee on a fundraiser at the Garwood Lions Club Fair. Missy Huvor, chairman of the committee, asked the council for their opinions and suggestions on the committee's ideas. The ideas were: a nickel slide, a balloon and dart game, a football and tire throw, a wooden bottle game, helium balloons, and a game using a radar gun to monitor the speed of a ball thrown.

There were mixed opinions on these games. After all comments were given, the council then voted on whether they should sponsor one or two booths at the fair. The council voted to sponsor two booths. The two projects the council voted on were helium balloons and a nickel slide.

President Shorter said everyone needed to work in the booths.

Next, President Shorter discussed the CVASC convention. The convention

will be held in Sealy on October 24 and the fee to attend will be approximately two dollars.

President Shorter then set up four committees for the homecoming activities. He stressed that everyone needed to help on every committee they are on.

The next item to be discussed was concession stand operations. President

Shorter said that the concession stands were going well except the bagging of ice was not being done before school.

Sponsor David White, reminded the council that they only have a month before homecoming; therefore, the committees need to get to work.

President Shorter adjourned the meeting.

FTAer's attend conference

By: Rachelle Hunt
On Saturday, September 17, four members of the Rice FTA attended the District III Leadership Conference in Cuero. Those members participating in this activity were: Colette Williams, Monica Pieprzyca, Rachelle Hunt, Kristine Carpenter and the chapter sponsor, Mrs. Lillian Gohlke. Several workshops were held including those emphasizing officer duties, parliamentary procedures, scrapbook and numerous contests for district competition.

At this general session, it was decided that the Rice FTA chapter would be in charge of presenting a yearbook workshop and contributing ten dozen cookies for refreshments at the District Convention on October 5 in Victoria.

Who's Zat? FTA meets

By: Linda Korenek
Who could this young "low rider" be? He is often seen during the late hours of the night, cruising down the Sheridan strip.

This little guy bewildered all the students of Rice High. The speed demon perplexed eleven students. No one came up with the right name.

Kristine Carpenter and Carol Rhodes thought it was Pecos Coble. Delores Soto and Jeff Argo guessed it to be Karen Korenek. John Ramerick and Rodney Williams just knew that it was Doug Baumgarten.

There were various other incorrect guesses, they were: Robert Pavlu, Richard Klecker, Jon Havens.

This cute little hot rod happens to be James Williamson. He is a member of the Junior class at Rice High. James is also a member of the Raider Basketball team.

This year the FTA has chosen to sell a product for their fund raising project. Secret pals were then chosen and committees for FTA activities throughout the year were assigned.

Other regular activities were also reviewed. There was an attendance drawing which was won by Tina Grahmann and the meeting was then adjourned.
