Little League tryouts this Sat.

Try outs are scheduled for all persons wishing to play Little League Baseball this Saturday at the Little League Field. All persons coming for try outs are asked to meet at the concession stands. Those who have not already registered should come to the field one hour before their scheduled time for try outs.

The times scheduled for boys are as follows: twelve year old boys at 10 a.m.; ten and eleven year old boys at 11 a.m.; and eight and nine year old boys at 1 p.m. Ten, eleven and twelve year girls will try out at 10 a.m. Tee Ball for boys ages six and seven and girls six through nine will be held at 1 p.m.

Tennis Tournament schedule for Festival

An open tennis tournament is scheduled for April 22-24 in conjunction with the Eagle Lake Festival. Tournament entries are due by April 1. The entry fee is \$4 for adult and junior singles, and \$2 per person for adult and junior doubles. There is a limit of two events per person. Entry fees will help pay for the trophies and balls. Trophies will be awarded for first, second and consolation places in all events.

For adults, there will be A & B divisions for men's and women's singles and doubles, and mixed doubles. For the juniors, the divisions will be 18, 16, 14 and 12 for the same events. For play on Friday, April 22, the first round played will be an eight game pro set to determine ability and placement in the correct division. The results of this set will have no bearing on winning placement.

The schedule will be published in the April 29 issue of The Headlight.

Walla named to head extension ag programs

Dr. Walter J. Walla, plant pathologist for the past 11 years with the Texas Agricultural Extension Service, Texas A&M University System, will be promoted to assistant director and state agricultural program leader, effective March 22. He will fill the position left vacant by the recent retirement of Dr. E. M. Trew and will provide leadership for Extension educational programs in agriculture for LEP state.

Walla began work with the Extension Service in 1961 as assistant agent in Montgomery County. He later served as Angelina County agent and then as an Extension assistant in agricultural chemicals until being named to his present position in 1971.
