### Commissioners table funds request

A request for additional funds from Colorado County to support an investigator working in the district attorney's office was tabled Monday by county commissioners.  
Discussion of that request and other agenda items made a short morning meeting of commissioners court.  
District Attorney Houston Munson is asking commissioners to increase the county's share of the investigator's salary by \$1,731.76, because Guadalupe County has discontinued its financial support. Colorado County already budgets more than \$2,600 for the investigator.  
Commissioner Bill Stiles made the recommendation to table the request, when none of the other commissioners would vote to approve it. County Judge Lester Cranek said that if Munson feels the investigator is that necessary, he can come to the next commissioners' meeting and personally request the funds.  
In other business, commissioners:  
\* Approved Columbus State Bank surties as depository bond.  
\* Agreed to spend up to \$200 for the Olden Texan Fair at Mentz.

Eagle Lake Chamber of Commerce member businesses and individuals are now selling tickets to the chamber's benefit barbecue dinner to be held on Monday, May 30th, Memorial Day.  
The chamber will sponsor a Memorial Day program in the downtown area, in front of the Municipal Building, at 10 a.m. After the program the chamber will have available miniature United States Flags which will be given free to interested persons to place on the graves of their loved ones. Further information on the memorial service will be announced in forthcoming issues of the Headlight.  
The barbecued beef and sausage dinners will include all of the trimmings and may be enjoyed in the pretty picnic area of the Eagle Lake Recreation Center (Golf Course) or there will be a fast curb service line on Partridge Lane beside the picnic area.  
Serving time will be from 11 a.m. to 1 p.m. The tickets are \$4.75 each and must be purchased in advance. No tickets will be sold at the dinner May 30th.  
Local business firms will be selling tickets through Wednesday, May 26th, but after that tickets will be available only at the chamber office in the Laker Printing offices at 123 McCarty, at Jo Ann's Dept. Store, or Wilcox Minimart.  
Proceeds from the dinner will be used by the chamber to sponsor projects designed for trade and community improvement.

### Commissioners table funds request

A request for additional funds from Colorado County to support an investigator working in the district attorney's office was tabled Monday by county commissioners.  
Discussion of that request and other agenda items made a short morning meeting of commissioners court.  
District Attorney Houston Munson is asking commissioners to increase the county's share of the investigator's salary by \$1,731.76, because Guadalupe County has discontinued its financial support. Colorado County already budgets more than \$2,600 for the investigator.  
Commissioner Bill Stiles made the recommendation to table the request, when none of the other commissioners would vote to approve it. County Judge Lester Cranek said that if Munson feels the investigator is that necessary, he can come to the next commissioners' meeting and personally request the funds.  
In other business, commissioners:  
\* Approved Columbus State Bank surties as depository bond.  
\* Agreed to spend up to \$200 for the Olden Texan Fair at Mentz.

Many entries were made in the "Rice Cookoff" event at the "Come April Fest" last weekend. In all, 35 delicacies ranging from appetizers to desserts were entered.  
The overall grand champion winner was entitled "Watergate Salad Dessert" and was prepared by Jo Ann Gertson. The name of the dessert amused the judges and flavor was obviously greatly appreciated.
