Sesquicentennial committee compiles list of ideas for '86

Twenty million visitors are anticipated in Texas during 1986 and in order to make these visitors aware of our local activities, the committee must have these listed and dates perfected by January of 1985. With an active participation by the community, Eagle Lake may be sanctioned by the commission and in this way receive an official sesquicentennial flag, free trees, free publicity and other amenities provided by the commission. Any organization wishing to participate should present their idea to one of the following before April 29, 1984: Fred R. Fruka, Mrs. Emily Stiles, Mrs. Paulette Klockman, Ben Castillo, Mrs. Colby Shorter, Mrs. R. B. Thomas, Bill Harrison, Sr., and Bob Klockman.

National Gas Water Heating

A sure source of refreshment.
A natural gas water heater is one luxury everyone can afford. And one that no modern home should be without. It uses primary energy three times more efficiently than an electric water heater. And that saves you money all year long.
When it's time to buy a new home, or to replace your existing water heater, make sure you insist on dependable efficient natural gas.
