

An investment in Your Future ATTEND CHURCH

"For where your treasure is, there will your heart be also."

Mommie ... They want me to come to church.

Yes, Mommie, they do want her in church, for in the church, they have a place for all ages. No child is too young to learn. This also provides you an opportunity to worship and give undivided attention to church services.

"Train up a child in the way he should go: and when he is old, he will not depart from it."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CPL says its one of South Texas' largest taxpayers

Central Power and Light Company's share of support to the taxing entities within the company's 44-county service area amounts to \$14.6 million for 1983, making the company one of South Texas' largest ad valorem taxpayers, according to Floyd Anderson, the company's tax manager.

Of the \$14.6 million total, approximately 50 percent went to school districts with the balance being distributed among other taxing entities such as city and county governments and water, drainage, fire, hospital and road districts.

According to Charles Garrett, CPL manager in Eagle Lake, CPL paid \$45,183 in ad valorem taxes in Colorado County. Major recipients include two school districts dividing \$29,716 and county government receiving \$7,713.

Two cities in Colorado County also realized \$5,699 in taxes from CPL with the other taxing entities receiving the balance.

In addition to ad valorem taxes, CPL supports local governments by payment of gross receipts tax and sales tax, where applicable.
