### Fire department ladies auxiliary holds annual installation banquet

The Ladies Auxiliary of the Eagle Lake Volunteer Fire Department held its annual installation banquet April 14 at the Community Center. Susan then read the duties and presented officer pins to the following: Donna Stephens, vice president and treasurer; Carolyn Baird, secretary and reporter; Betsy Glaiser, historian and parliamentarian; Barbara Rucka, chaplain.

A delicious supper of roast beef, rice and gravy, green beans and hot buttered bread was served by Annie Broesche.

Later, everyone enjoyed the benefit dance sponsored by the auxiliary. We would like to thank everyone who donated to the auxiliary by attending the dance.

**'The Jones family saved money by having their air conditioner checked this spring.'**

"If they'd waited till July, when they're running their air conditioner a lot, they probably would have had a big repair bill. And that unit of theirs would have been eating a lot of power, running up their electric bills."  
 "As it is, I found a small problem and fixed it when I came out to clean and check their air conditioning. I can tell you that problem would have grown worse and damaged the whole system. It's a good thing I caught it when I did."  
 "Of course, I wouldn't have had the opportunity to find the problem early if Mrs. Jones hadn't called early."  
 "Your air conditioner needs a tune-up every year - and spring is the best time to do it. Call your air conditioner repairman today and give him a chance to save you some money."  
 "Maybe this is one time it's a good idea to keep up with the Joneses."
