Congratulations to Mr. and Mrs. Bobby Sims on the birth of their first child, Courtney Nichole, who weighs seven pounds and seven ounces and was born Monday, April 30 in the Eagle Lake Community Hospital. Mr. and Mrs. Guy Bennett's children from California arrived here Sunday night to spend some time with parents. Larry Pence was admitted to the Youens Hospital late last Wednesday night. He was well enough to come home later in the week. Sharon Moore suffered a painful cut on her hand Thursday when a glass she was washing broke. The cut required six stitches. A "first" baby is patient in the Eagle Lake Hospital. Get well wishes are extended to him.

Plans are nearly completed for the Ambulance Bene-Fair. If you have not brought tickets for the prizes, you can still do so. Many have signed up for some exciting volleyball games. Entries are needed for the parade. Let's all get together and support this worthy cause and in return everyone will benefit from the efforts put forth. The Annual Homecoming at the First Baptist Church will be May 20. This year the church will be 95 years old. Robert Hessong of Edna is the church's interim pastor now and will enjoy meeting new and old friends on that day. A moon sign of Eclipse is being planned and "You" are invited.

Workshop set for farm equipment

Farm machinery such as tractors, combines and other farm equipment with air conditioner problems are being sought for a workshop scheduled for Thursday, May 17 from 9 a.m. to noon at the Garwood Implement Building. Tom Valco, extension engineer will conduct the session. There will be one hour of theory and two hours of exploration. Anyone is invited to bring a tractor, combine or farm equipment with an air conditioning problem.

Hospital sponsors 'new parent' dinners

Dr. and Mrs. Russell Thomas were the first recipients of a new treat being offered by Eagle Lake Community Hospital. A steak dinner with all the trimmings is served to new parents by the hospital. Russell and Robin Thomas, the parents of a new baby girl, Jacqueline Joan Thomas, were served last week by the hospital staff.

Sportsman's Motel listed in Mobil Travel guide again

The Sportman's Motel in Eagle Lake is again listed in the 1984 edition of the Mobil Travel Guide. This is the fifth consecutive year the Sportman's Motel has won this listing. This announcement was made by Mrs. Willie W. Lag, manager. The Sportman's is owned and operated by Omni Motels of Texas, which considers itself a collection, not a chain. Over 20,000 restaurants, hotels and resorts are listed and rated on a one to five star basis in the seven volume Mobil Travel Guide, which has been compared by travel experts to the famed Guide Michelin.

To be listed in these fine travel guidebooks, the establishment must be personally inspected by an impartial, trained inspector, who is employed by a independent organization, which has instituted a set of standards for listings and ratings. Each edition provides valuable information on local history, sightseeing, amusements, sports, and recreational facilities, in addition to the star-rated food and lodging listings. Also included are regional road atlases and detailed maps of major cities, special auto-tour routes and helpful advice to travelers.

The courtrooms of the 25th Judicial District have been empty too long.

- Only one felony jury trial in 1983 in the entire district.
- Jury trials in 25th District at a rate less than 10% of state average.
- No legal response filed by D.A. to bolster State case when a defendant appeals a conviction, although required by law.

Pointing... the way

Early churches used steeples to make the building higher than all others in the city. People could see God's House from any direction, and could easily find their way to a place of worship. Today, with many office buildings towering into the sky, churches are not always the tallest buildings. However, churches still point the way to God, and provide a place of worship.
