Reaching Out...

IN NEED OF LIVING WATERS

As the plant spreads over the desert seeking life giving moisture, we need to reach out to God for "Living waters." Seek God in his house, know the peace and joy of a full life with God. "and thou shalt be like a watered garden, and like a spring of water, whose waters fail not."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and His demand for man to respond to that love by loving his neighbor. Without the grounding in the love of God, no government or society or way of life will long prevail. It is the freedom which we hold in dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Heritage House plans special activities

Residents in more than 1,000 nursing homes across Texas will be honored during a special week to begin on Mother's Day Sunday, May 13. During this week Governor White has designated as "Texas Nursing Home Week," nursing homes will be holding Open Houses featuring traditional festivities such as Mother's Day dinners and teas, talent shows, barbecues, and country western music - a pleasant week of activities in which nursing home residents and their neighbors in the community may renew friendships and share some time together. At the Heritage House in Eagle Lake they have planned a full week of activities which includes a Mother's Coffee Sunday, May 13. Cake and coffee will be served.

Mother's Day program at White Cloud Church

On Sunday, May 13 a Mother's Day program will be conducted at the White Cloud Baptist Church at 6 p.m. Rev. O. Rhodes is the pastor. Rev. W. E. Gibbs, Greater First Baptist Church of Houston, will speak at the program. A Youth Crusade Revival will continue through the week. The theme of the revival is "Youth at the Crossroad." The revival will be held Monday, May 14 through Saturday, May 19 at 7 p.m. nightly at the White Cloud Baptist Church. On Monday night Rev. D. Henderson, associate minister at White Cloud Baptist Church, will be the speaker. For Tuesday night, Rev. Edward Sanford, associate minister of Mt. Vernon Baptist Church, will be the speaker. On Wednesday, Rev. A. Banks, associate minister at Green Grove Baptist Church, will speak. For Thursday, the speaker will be Rev. G. Williams, associate minister at Greater Rising Star Baptist Church. On Friday, Rev. M. Johnson, associate minister at White Cloud Baptist Church, will be the speaker. On Saturday, May 19 from 10 a.m. to 1:30 p.m. a Youth Retreat will be conducted. Rev. H. Kuykendall, associate minister at Greater Mt. Olive Baptist Church, will be the scheduled speaker. The youth will be placed into five different group seminars including: To Rather be Myself if you don't mind, Living with Difficulties, Living with Difficulties, Can you talk to someone else?, and My Life - What shall I do with it? The youth will be reassembled for a question and answer session. Refreshments will be served. The annual Youth Day will be held Sunday, May 20 at 3 p.m. with Rev. G. Scott, associate minister at Greater Rising Star Baptist Church will be the speaker. Sponsors of the revival are Rev. M. Johnson, Rev. D. Henderson and Rev. O. Henderson.

We thought it was perfect... but Good Cents made it better!

After all those years of planning and waiting, we finally were ready for our dream home. We wanted to get started on it right away, too, so we could move in and start enjoying it as soon as possible. But thank heavens we took the time to listen to what our builder had to say about the Good Cents home and how it would reduce the amount of energy we use. We decided this might be a practical way to get our utility bills under control, so we agreed to modify our house plans to meet the Good Cents standards.

And guess what? We're using only half as much energy as before for heating, air conditioning and water heating. So this isn't just our dream house - it's a whole lot better. It's true; the features built into a Good Cents home can cut energy use by 50% for the three biggest items in your household energy budget. Developed after years of research, the program incorporates the newest technology for energy efficiency. Every Good Cents home has a variety of energy-saving features. These may include added insulation, good attic ventilation, quality windows and doors, special measures to prevent air leaks, and an efficient heat pump that provides both heating and cooling from a single system. Besides saving you money, these features make your home more comfortable and help assure a higher resale value. Before you decide on a new house, find out more about Good Cents. Just inquire at your C.P.L. office - or ask your builder or realtor.
