LEARNING GOOD HABITS EARLY

"Train up a child in the way he should go; and when he is old, he will not depart from it."

This statement (made by Solomon, thousands of years ago) is just as true and vital today as it was then.

Teach your children the good practice of saving for the future. Teach them to attend worship services in God's house by taking them each Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long endure and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, we should support the Church for the sake of the welfare of ourselves and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Sheridan News

Mr. and Mrs. Larry Pence were in Houston to attend the funeral services of Dr. J. R. Laughlin. They stopped in Sheridan Saturday evening for a short while. Sympathy is extended to the family of Tomball in the loss of his wife. Harmon was reared in Sheridan and has many relatives and friends here. This weekend the First Baptist Church will celebrate its 75th anniversary with its annual homecoming. After worship services, a noon meal consisting of barbecue and all the trimmings will be served. A program, including a history report, congregational singing and special music will follow. Everyone is cordially invited to attend.
