NEW LIFE

Nothing is more interesting than young new life. It represents all that is fresh and innocent, but more, it represents the unlimited potential of the future. How much many of us would give to have some of the vivacity and energy of the young and more yet, to have our future before us.

We can't have yesterday over again, but we can have a new life. We can be born again from above, fresh and new. God wills to give everyone this new life, abundant life, free of fear and anxiety. Go to Church this week and hear of the One who gives new lives for old.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE

It's something wrong with you folks... an inner restless dissatisfaction? The only way from God our Maker. He shows us a way and restores us. Through the church God has committed the promise and proclamation of His forgiveness and redemption. We must accept His forgiveness and redemption. He will accept us as we are. He will accept us as we are. He will accept us as we are.
