Advertising solicitations...caution

The Sheriff's office would like to remind everyone that from time to time people solicit advertising, etc. in support of law enforcement. There may be some that will solicit for their own personal gain. Should someone you do not know attempt to solicit for anything pertaining to law enforcement, call the Sheriff's office and check them out. The Sheriff's Department appreciates all the support received from the people and we want to prevent anyone from being ripped off in the name of law enforcement.

UNAFRAID

Although the years lift her are very few, she looks forward unafraid. She knows that soon death will envelop her with its final mystery and seeming oblivion. But for her, death is only the last visible page of life, just as birth is its first visible page. She is at peace with the afterlife and can be because she trusts in her Maker. She has believed these many years that God is good and this conviction continues even now when the shadow of death is also seen to be His gift.

This kind of assurance about life is meant for you too! Go to Church and hear again and again the words about God's trustworthiness and His love for you. Trust in Him and be delivered from fear of life and death!
